With 4 high-tech engines, including our innovative 3.5L EcoBoost, the toughest truck lineup in the class is also the most powerful and the most capable. New for 2013, F-150 introduces voice-activated SYNC with MyFord Touch, class-exclusive high-intensity discharge (HID) headlamps and more. Take your pick of 8 models, including the all-new LIMITED. 3 cab configurations. 3 box lengths. Backed up by a lengthy list of class-leading capabilities. No wonder F-Series has been Canada's best-selling truck for 46 years. Go further in a 2013 F-150.

**Best Performance**
- Best-in-class\(^3\) horsepower: 411 with available 6.2L 2-valve V8
- Best-in-class torque: 420 lb.-ft. with available 3.5L EcoBoost and 434 lb.-ft. with available 6.2L 2-valve V8

**Best Towing**
- Best-in-class max. towing capability: 11,300 lbs. (5,126 kg)\(^6\)
- Standard trailer sway control
- Available trailer brake controller, rear view camera and telescoping trailer tow mirrors

**Best Payload**
- Best-in-class max. payload capability: 3,120 lbs. (1,415 kg)\(^2\)
- Best-in-class cargo box volume: 2,301 L (81.3 cu. ft.)
- Class-exclusive available box side steps and tailgate step

**Best Overall — EcoBoost**
- 12.9L/100 km city and 9.0L/100 km hwy (22 mpg city/31 hwy)\(^2\)
- 420 lb.-ft. of torque
- 11,300-lb. (5,126-kg) max. towing capability\(^6\)
- 3,100-lb. (1,406-kg) max. payload capability\(^8\)

**Outstanding Fuel Efficiency**
- 8.7 L/100 km (32 MPG) HWY\(^12\)
- 12.6 L/100 km (22 MPG) CITY\(^12\)

**Standard Safety**
- AdvanceTrac with class-exclusive RSC\(^\text{®}\) (Roll Stability Control\(^\text{™}\)), Personal Safety System\(^\text{™}\), Safety Canopy\(^\text{®}\) System, SOS Post-Crash Alert System\(^\text{™}\) and many other safety and security features standard on every 2013 F-150

\(^1\)3.7L V6 engine. \(^2\)Non-hybrid 4x2. Fuel consumption ratings based on Government of Canada approved test methods. Actual fuel consumption will vary. See specifications for details. \(^3\)Available feature. \(^4\)Class is Full-Size Pickups. Based on Canadian Vehicle Manufacturers’ Association statistical sales report, December 2011. \(^5\)Class is Full-Size Pickups under 8,500 lbs. (3,855 kg) GVWR non-hybrid. \(^6\)3.5L EcoBoost V6 and 6.2L V8. \(^7\)5.0L Ti-VCT V8. \(^8\)Best-in-class towing and payload when properly equipped. See your Ford of Canada Dealer for specific equipment and other limitations.
Clockwise from upper left: 3.5L EcoBoost, 6.2L V8, 5.0L V8 and 3.7L V6.

4 CHOOSES: ALL WINNERS.

Horsepower. Torque. Fuel efficiency. The numbers speak for themselves. Get best-in-class 411 hp and 434 lb.-ft. of torque with the 6.2L V8! Enjoy 8.7L/100 km (32 mpg) hwy and unsurpassed V6 torque with the standard 3.7L V6. Or take your pick of powerful combinations in between. With the only standard 6-speed automatic transmission in the class and available SelectShift Automatic® you can’t go wrong. Twin independent variable cam timing (Ti-VCT) enables precise control of the camshafts on 3 of these high-tech engines to help give you better fuel efficiency and more power than their predecessors. Engineered to meet the most stringent standards for long-lasting durability, every engine in this lineup is proven over millions of kilometres of harsh laboratory and real-world testing. They’re all Built Ford Tough.®

3.5L EcoBoost®/ 6-Speed Automatic (left)
365 hp @ 5,000 rpm
420 lb.-ft. torque @ 2,500 rpm

6.2L V8/6-Speed Automatic® (right)
411 hp @ 5,500 rpm
434 lb.-ft. torque @ 4,000 rpm

3.7L V6/6-Speed Automatic (left)
302 hp @ 6,500 rpm
278 lb.-ft. torque @ 4,000 rpm

5.0L V8/6-Speed Automatic (right)
360 hp @ 5,500 rpm
380 lb.-ft. torque @ 4,250 rpm

3.7L Ti-VCT 4-Valve V6 FFV
It delivers outstanding fuel efficiency along with torque that no other standard V6 can beat. Piston cooling jets inside this engine spray oil directly on the underside of the pistons to help keep them cool under extreme operating conditions. As a flex-fuel vehicle (FFV) engine, the 3.7L can run on E85, gasoline or any combination of the two. 12.6 city/8.7 hwy L/100 km (22/32 mpg)²

5.0L Ti-VCT 4-Valve V8 FFV
It’s the most fuel-efficient of any comparable V8 engine¹ and it delivers the most horsepower, torque, towing and payload capabilities. The intake camshaft on this engine is specifically designed to help achieve its low-end torque. It also features cast exhaust manifolds and a unique engine oil cooler for heavy-duty use and durability. 14.1 city/9.7 hwy L/100 km (20/29 mpg)²

3.5L EcoBoost® Ti-VCT
This innovative engine delivers the highest max. towing and payload capabilities¹ in the class along with outstanding fuel efficiency. Twin turbochargers combine with high-pressure direct injection for remarkably balanced performance. Turn the page for more on EcoBoost! 12.9 city/9.0 hwy L/100 km (22/31 mpg)²

6.2L 2-Valve V8
This free-breathing beast delivers the most horsepower and torque available on any engine in the class. Baja-tested by the Ford Special Vehicle Team (SVT) and shared with F-Series Super Duty®, the proven 6.2L boasts a cast-iron engine block with 4-bolt main bearing caps and 2 additional cross bolts for extreme durability. Utilizing 2 spark plugs per cylinder helps improve efficiency and increase engine torque. 16.5 city/11.0 hwy L/100 km (17/26 mpg)²

2013 F-150 ford.ca
F-150 equipped with our 3.5L EcoBoost® direct-injection twin-turbo engine delivers a best-in-class mix of torque, capability and fuel efficiency. It beats all competitors with 420 lb.-ft. of torque, an 11,300-lb. (5,126-kg) max. towing capacity, and a 3,100-lb. (1,406-kg) max. payload capacity. Plus, it delivers 9.0L/100 km (31 mpg) hwy. The 136L fuel tank on EcoBoost 4x4 means F-150 can travel over 1,300 hwy kilometres between fill-ups. Extensive durability testing, equivalent to 2.5 million kilometres and 10 years of use in the harshest environments, pushed EcoBoost to extremes as it earned its place in the Built Ford Tough® lineup.

Torque that beats all competitors. The 3.5L EcoBoost generates over 90% of its best-in-class peak torque from way down at 1,700 rpm all the way up through 5,000 rpm.
**STAY CONNECTED.**

New for 2013, voice-activated SYNC®1 with MyFord™1 is available on XLT, standard on FX2 and FX4. This system includes a 4.2" LCD productivity screen in the centre of the gauge cluster, 5-way controls on the steering wheel, and a 4.2" screen in the centre stack.

Once paired, SYNC recognizes your phone and downloads your contacts to support voice calling. It also plays music from your phone, MP3, USB or iPod®. Just touch a button on the steering wheel and say things like “Call: John at work,” or “Play playlist: Country.” SYNC also includes 911 Assist® with GPS location reporting. SYNC. Say the word.

Listen to your favourites all across Canada with SiriusXM® Satellite Radio.®2 Your 6-month prepaid subscription gets you the best in audio entertainment including 100% commercial-free music from every genre, world-class news, sports, comedy and entertainment.

---

1Available feature. Some mobile phones and some digital media players may not be fully compatible. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. SYNC with MyFord offers voice recognition and screens in English, French and Spanish. 2Available feature. SiriusXM Satellite Radio subscriptions sold after 6-month prepaid period expires. Subscriptions are governed by SiriusXM Customer Agreement; see sirius.ca.
CONTROL IT YOUR WAY.

For ultimate authority over your phone, entertainment, navigation and climate, the 2013 F-150 introduces voice-activated SYNC² with MyFord Touch.¹ This system includes an 8” LCD touch screen in the centre stack, the 4.2” LCD productivity screen in the gauge cluster, a media hub with dual USB ports and more. Operate it with simple voice commands, by interacting with the touch screen, or by using the knobs and buttons just below the touch screen.

Enables your travels. For interactive maps you can zoom and scroll – complete with 3D landmarks. Choose the Eco Route or voice-guided turn-by-turn directions for a recommendation on the most efficient way to travel.

Lets you “see” who’s calling. MyFord Touch can download personal photos from your phone book and display them on its full-colour screen when you browse your directory and during calls.

¹Available feature. Some mobile phones and some digital media players may not be fully compatible. Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. SYNC with MyFord Touch offers voice recognition and screens in English, French and Spanish. Some features may be locked out while the vehicle is in motion.
RIDE LIKE A KING.

Whether you choose the legendary KING RANCH™ or another SuperCrew model, prepare for an interior experience like no other. We’re talking room to spare, lots of creature comforts, superb cargo space and utmost flexibility – this truck has it all. The seating is thoughtfully contoured to provide comfortable support in all the right places, including its angled rear seat backs, which create a relaxed, natural seating position. The ultra-convenient one-touch 60/40 split rear seat folds up to reveal 1,569 L (55.4 cu. ft.) of cargo space and the only completely flat load floor available in the class. Recharging multiple devices is easy with a standard 12-volt powerpoint up front, plus another next to the 110-volt power outlet on the back of the flow-through centre console¹ and one inside of it. Beneath the surface, its stiff frame and body, shear-style body mounts, door seals, Quiet Steel® and a noise-absorbing headliner all work together to help deliver a remarkably quiet ride. One might say it’s fit for royalty.

¹Available feature.
F-150 is the first and only truck to combine best-in-class max. towing capability of up to 11,300 lbs. (5,126 kg) in every cab type, the stabilization technology of standard trailer sway control, and an integrated trailer brake controller, offering you a level of towing confidence no other full-size pickup can touch.

Standard hill start assist helps prevent you from rolling back on a grade by momentarily maintaining brake pressure until the engine delivers enough torque to move the truck up the hill. Trucks equipped with the trailer brake controller can automatically apply the trailer brake too. Included with every Trailer Tow Package, our 6-speed SelectShift Automatic transmission features a progressive range select mode you can use to lock-out upper gears for better performance when the truck is heavily loaded or when towing on grades. Rest assured, your trailer’s reign of terror is over.

Helps you keep it in line. Our standard trailer sway control uses a yaw motion sensor to monitor the motions of your truck and detect trailer sway. It can automatically react when sway is detected by selectively braking and reducing engine torque to help you maintain control of both the truck and the trailer.*

Helps you line it up. The rear view camera displays a full-colour image in your auto-dimming rearview mirror, on the 4.2" MyFord™ screen or on the 8" MyFord Touch™ screen (shown). Just shift into Reverse for a wide-angle view behind the truck, complete with a distance guide.

F-150 is the first and only truck to combine best-in-class max. towing capability of up to 11,300 lbs. HAUL MORE. WORK SMARTER.

With a best-in-class 3,120-lb. (1,415-kg) max. payload\(^1\) capability and best-in-class cargo box volume of up to 2,301 L (81.3 cu. ft.), F-150 helps you transport more materials in each load, which could reduce the number of trips you make to and from the work site. Each crossmember on its fully boxed frame is precisely positioned to create a flat load floor, then through-welded to help create a highly rigid structure, which minimizes frame flex and contributes to stable hauling and towing. Opt for the Tough Bed® factory-installed spray-in bedliner\(^2\) and an industrial-grade synthetic lining will be applied directly to the bed for durable, long-lasting protection. Even managing cargo is easier thanks to the best pickup box access in the class — steps on all 3 sides including our class-exclusive tailgate step\(^2\) and box side steps\(^2\). Any way you stack it, F-150 is the hardest working, most productive truck out there.

**Expands your cargo capabilities.** Our stowable bed extender\(^2\) folds out, clamps together and secures with a bolt-action latch. Use this rugged barrier to haul with the tailgate down or secure smaller loads with it up.

**Gives you a lift.** Class-exclusive box side steps\(^2\) ease access to the front end of the box. Each step can handle up to 500 lbs. (227 kg). Deploy or stow them with your foot — no hands required.
MASTER ROUGH TERRAIN.

Built Ford Tough® with rugged underpinnings, every F-150 starts with a double-wishbone, coil-over-shock, independent front suspension including gas shock absorbers and 2-stage, variable-rate rear leaf springs. In addition to its 2H, 4H and 4L modes, the 2-speed automatic 4x4 system features a convenient 4A mode that automatically responds to changing road conditions by directing engine torque as needed for optimum traction. Equip your truck with the Off-Road Package, which now includes Hill Descent Control™, an electronic-locking rear differential, skid plates and off-road-tuned shock absorbers, to help boost your off-road confidence from the start.

Tracks the action. Monitor your pitch angle, bank angle and wheel direction with our class-exclusive off-road display in the LCD productivity screen.

Enhances capability on 4x2s and 4x4s. The electronic-locking rear differential uses a true mechanical dog-clutch mechanism to lock both rear axle shafts together so they turn at the same speed for maximum traction. Available on all models, it improves 4x2 traction when towing and when travelling on sand or other loose surfaces.

F-150 offers a long list of functional and stylish options. Power-adjustable brake and accelerator pedals help enhance driver comfort. The flow-through centre console offers 3 ways to power electronics: a 12-volt powerpoint inside and another alongside the 110-volt power outlet on the back. An industrial-grade synthetic lining applied directly to the bed, the factory-installed Tough Bed® spray-in bedliner provides durable, long-lasting protection. A new soft-folding tonneau cover helps protect the contents of your cargo box from the weather. The FX Appearance Package adds hood and bodyside graphics, Alcantara® seat inserts, 20" wheels and more. Build the F-150 you want, just the way you want it.

F-150 Standard Features

**Mechanical**
- Brakes – Power 4-wheel vented-disc with ABS
- Easy Fuel® capless fuel filler
- Electronic brakeforce distribution (EBD)
- Engine block heater
- Fail-Safe Engine Cooling System
- Four-wheel-down towing capability (4x4)
- Gas-pressurized twin-tube shock absorbers
- Hill start assist
- Hood-open assist mechanisms
- Horn – Dual-tone
- Jack (2-ton)
- Lightweight aluminum hood
- Maintenance-free 78-amp-hr, 750-CCA battery with battery saver
- Parking brake, foot-operated with hand-release
- Power rack-and-pinion steering
- Spare tire with underframe winch with safety catch
- Stabilizer bar – Front
- Stainless steel exhaust system (major components)
- Suspension – Front: long-spindle, double-wishbone coil-over-shock; rear: leaf springs
- Trailer tow with 4-pin connector
- Windshield wipers – Intermittent

**Interior**
- Air conditioning
- Assist/grab handle for right-front passenger
- Assist/grab handles at rear outboard positions (SuperCrew)
- Cupholders – Front (2 deployable under centre seat or in floor console, and 1 in each front-door map pocket)
- Display centre
- Front dome or map lights
- Front-door map pockets
- Gauges for fuel, oil pressure and engine coolant temperature; tachometer; voltmeter; speedometer; and odometer
- Glove compartment
- Powerpoints – 12-volt in front (all models) and rear (in SuperCab and SuperCrew models)
- Steering column – Manual tilt

**Exterior**
- Cargo box lamp integrated into centre high-mounted stop lamp
- Cargo box tie-downs (4)
- Daytime running lamps
- Outer door-sill scuff pads
- Removable tailgate with key lock and tailgate assist
- Stake-bed pockets
- Stone guards – Front and rear
- Tow hooks (2 in front; 4x4 only)
- Windshield wipers – Intermittent

**Safety & Security**
- 3-point safety belts in front (all models) and rear (in SuperCab and SuperCrew models)
- AdvanceTrac® with RSC® (Roll Stability Control™)
- Airbags – Front-seat side 1
- Airbags – Safety Canopy System with side-curtain airbags 1 for all rows and rollover sensor
- Alert chimes for headlamps-on, key-in-ignition and safety belt
- Belt-Minder™ front safety belt reminder
- Brake/Shift interlock
- Fuel pump inertia shutoff switch
- LATCH – Lower Anchors and Tether Anchors for Children
- Personal Safety System™ for driver and right-front passenger includes dual-stage front airbags 1, safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver’s seat position sensor, crash severity sensor, restraint control module and Front-Passenger Sensing System 2
- SecuriLock® Passive Anti-Theft Engine Immobilizer System
- Side-intrusion door beams
- SOS Post-Crash Alert System™
- Spare wheel/tire lock
- Tire Pressure Monitoring System (excludes spare)
- Trailer sway control

---

1 Always wear your safety belt and follow airbag warning label instructions.
2 Right-front-passenger seat only.

*Fuel consumption ratings based on Government of Canada approved test methods. Actual fuel consumption will vary.* Requires Max. Trailer Tow Package. Requires Heavy-Duty Payload Package. Limited only. Maximum capabilities shown are for properly equipped vehicles with required equipment and a 68-kib (150-lb) driver. Weight of additional options, equipment, passengers and cargo must be deducted from this weight. For additional information, see your Ford of Canada Dealer.
QUALITY, GREEN, SAFE AND SMART.

Our commitment to you: Peace-of-Mind Protection

- Basic Coverage: 3 years/60,000 km
- Powertrain Limited Warranty: 5 years/100,000 km
- Corrosion Warranty: 5 years/unlimited distance
- Roadside Assistance: 5 years/100,000 km

Certain conditions apply. For more information on these warranties and coverages, ask your local Ford of Canada Dealer or visit ford.ca.

Ford Extended Service Plan. Help protect your investment and add to your peace of mind by complementing your vehicle purchase or lease with a Ford Extended Service Plan (ESP). Ford ESP protects you against unexpected repair costs after your Basic Coverage in the New Vehicle Limited Warranty expires by covering many vehicle components. Enjoy the drive even more by complementing your ESP with a prepaid maintenance plan, which covers all required scheduled maintenance for your vehicle, plus 8 wear items. See your Ford of Canada Dealer for details.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your local Ford of Canada Dealer for details or check us out at fordcredit.ca.

Genuine Ford Accessories. Ford of Canada warrants that its authorized Dealers will repair or replace any Genuine Ford Accessory that is properly installed by the authorized Dealer that sold the accessory and found to be defective in factory-supplied materials or workmanship. The accessory will be warranted for whichever provides you the greatest benefit: 12 months/20,000 km (whichever occurs first), or the remainder of your 36-month/60,000-km (whichever occurs first) Basic Coverage in the New Vehicle Limited Warranty. Contact your local Ford of Canada Dealer for details.

Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer’s limited warranty. The warranty coverage will vary by accessory manufacturer. Ford Licensed Accessories are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your local Ford of Canada Dealer for details regarding the accessory manufacturer’s limited warranty and/or for a copy of the FLA product limited warranty offered by the accessory manufacturer.

For prompt, courteous answers to your questions: Ford Customer Relationship Centre 1-800-565-3673; Ford Credit Customer Service Centre: 1-877-636-7346.

Competitive comparisons are based on 2012/2013 competitive models, publicly available information and Ford data at the time of printing of the 2013 original printed version. Some features discussed may be optional. Vehicles shown may contain optional equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions shown may vary due to optional features and/or production variability. Following publication of the 2013 original printed brochure, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages. Your Ford of Canada Dealer is your best source for up-to-date information. Ford Motor Company of Canada, Limited, reserves the right to change product specifications at any time without incurring obligations. Colours may not be exactly as illustrated. Please see your sales consultant for specific colour and model availability. Please visit your local Ford of Canada Dealer or ford.ca for complete vehicle details.
