2015 GMC SIERRA. To engineer our most advanced pickup ever, we’ve incorporated some incredible technologies. EcoTec3 engines offer abundant power and impressive efficiency. Inside you’ll find an unexpectedly quiet cabin. Settle in and the available Safety Alert Driver Seat uses your sense of touch to make you aware of surrounding vehicles. Discover how these and many other innovations make the 2015 Sierra more than just a truck. It’s incredible thinking in the form of a truck.
SIERRA CREW CAB SLT IN QUICKSILVER METALLIC (left), SIERRA DENALI CREW CAB IN ONYX BLACK (center) and SIERRA DOUBLE CAB SLE IN QUICKSILVER METALLIC (right). Vehicles shown with available equipment.
DENALI

SIERRA DENALI CREW CAB INTERIOR IN JET BLACK
shown with available equipment.
HEAR HOW QUIET A TRUCK CAN BE.

Sierra is engineered to create a quiet cabin. Your solitude comes from triple door seals, sound-absorbing materials and an inlaid design that fits the doors precisely into the body. Sierra Denali takes attention to detail a step further with a soft-touch instrument panel, burnished aluminum trim, contrasting stitching and even more appointments.

12-WAY POWER FRONT SEATS.

HEATED AND COOLED PREMIUM LEATHER-TRIMMED FRONT BUCKET SEATS.

FRONT AND REAR PARK ASSIST.

HEATED LEATHER-WRAPED STEERING WHEEL.
A SECOND ROW THAT RIVALS THE FIRST.

Reimagining truck interiors means surrounding you with premium, durable materials in SLT models. It also means that Crew Cabs offer spacious rear leg room, while Double Cabs feature forward-hinged rear doors to make getting into and out of the rear seat easier. You’ll also enjoy these SLT features.

REMOTE VEHICLE START.

10-WAY HEATED, LEATHER-APPOINTED FRONT SEATS.

110-VOLT POWER OUTLET.

POWER-ADJUSTABLE PEDALS.

Information Provided by DEALER E-PROCESS
FROM THE FLIGHT DECK.

Inspired by modern fighter jets, Sierra’s ergonomically configured instrument panel places information where it’s quickly visible and controls where they’re easily under your command. In Sierra Denali, the 8” diagonal color touch-screen with navigation provides immediate data and dynamic response, while an 8” diagonal Customizable Driver Display lets you personalize vital information. Knobs and buttons are large to accommodate gloved hands, while gauges are easy to read and LED back-lit.

**ONSTAR HIGH-SPEED 4G LTE** 2 **WI-FI HOTSPOT (AVAILABLE).**

BLUETOOTH® 3 **VOICE COMMANDS (AVAILABLE).**

**DUAL-ZONE AUTOMATIC HVAC (AVAILABLE).**

**INTELLILINK® SYSTEM (AVAILABLE).**

1Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada. 2Devices must be WPA2 compliant with active OnStar service and data plan. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.com for details and system limitations. 3Go to gmtotalconnect.com to find out which phones are compatible with the vehicle. 4Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity.
WI-FI THAT KEEPS PACE WITH YOU.

Sierra offers the latest technologies to keep you connected, informed and entertained. New for 2015, Sierra can be equipped with available OnStar 4G LTE. Gain fast Internet speeds by adding an available Wi-Fi hotspot to turn Sierra into your luxury high-tech mobile office.

POWER SUPPLY Depending on the model and options you choose, you’ll never be far from a convenient power supply: up to six USB ports, four auxiliary power outlets and a 110-volt outlet keep first- and second-row passengers connected and powered up.

ONSTAR 4G LTE HOTSPOT: New available OnStar 4G LTE with built-in Wi-Fi capability (3 months/3 GB, whichever comes first) means a fast Internet connection for Web-enabled devices from up to 50 feet around the truck. It’s reliably fast, easy to use and handles up to seven devices.
CUSTOMIZED DRIVER DISPLAY

Sierra Denali's reconfigurable gauge cluster allows you to personalize the new 8" diagonal color Driver Information Center (DIC) for optimal viewing. By choosing from a menu of display themes, you're able to control not only what information you see, but how you see it.

PERSONALIZED ENTERTAINMENT AND NAVIGATION

Sierra’s available 8" diagonal LCD center touchscreen is the perfect display for the available Color Touch Sound System with IntelliLink, as well as the available Navigation System. The screen provides instant information, dynamic response and predictive functionality to help you multitask at the worksite.

SAFETY ALERT TECHNOLOGIES

To help avoid trouble, Sierra is the first full-size pickup to offer the available Driver Alert Package, including Forward Collision Alert, Lane Departure Warning and the Safety Alert Driver Seat. These innovations help provide additional sources of information about the driving environment surrounding your Sierra.

REAR VISION CAMERA SYSTEM

The center screen also serves as your monitor for the camera, standard on most models. Its dynamic grid lines provide the perfect target when backing up or hitching a trailer.

CENTER PANEL INSTRUMENTATION

Access to controls and power sources is centrally located and within easy reach of the driver’s seat. This array of switches puts Sierra’s important functions at your fingertips.

BOSE® AUDIO SYSTEM

The optional Bose system is engineered to give you the realism and presence of a live performance.

1 Devices must be WPA2 compliant with active OnStar service and data plan. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.com for details and system limitations.  
2 Not compatible with all devices.  
3 Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity.  
4 Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada.
OUR ENGINEERS ARE VERY SUPPORTIVE.

Sierra achieves new levels of support and comfort. The seats are engineered for the long haul, while premium materials like available leather-appointed seating and aluminum trim surround you. Convenient and generous storage options abound so everything is at your fingertips.

SLE SURROUNDINGS Sierra SLE doesn’t make you sacrifice comfort, technology or convenience. It features new available OnStar 4G LTE1 with built-in Wi-Fi capability, 8" diagonal Color Touch IntelliLink2 radio [also available with navigation3], Bluetooth4, aluminum trim, soft-touch instrument panel, cloth seats and an available center floor console as well as locking under-seat storage.

PREMIUM MATERIALS On most models, the instrument panel provides a premium, soft-touch feel, while aluminum trim and contrasting stitching give the interior an overall contemporary appearance.

LASTING COMFORT SEATS Hard work shouldn’t describe the seats. In Sierra, they feature a sculpted design and provide lasting comfort with dual-firmness foam. They retain their shape over time, reducing driver and passenger fatigue.

---

1Devices must be WPA2 compliant with active OnStar service and data plan. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.com for details and system limitations. 2Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. 3Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada. 4Go to gmtotalconnect.com to find out which phones are compatible with the vehicle. 5Not compatible with all devices.
CONVENIENT CHARGING An available 110-volt outlet provides first- and second-row passengers with an easily accessible power boost.

POWER-ADJUSTABLE PEDALS To help drivers of varying sizes sit at a comfortable distance from the steering wheel, adjustable pedals are available on SLE and standard on SLT and Denali.

CLIMATE CONTROL Automatic dual-zone climate control with individual settings for the driver and front-seat passenger is standard on SLT and Denali and available on SLE.

EASY REAR-SEAT ACCESS Enhanced rear-seat comfort and access mean nearly 2” of additional leg room on Crew Cabs. And getting into and out of the second row in the Double Cab is easier, thanks to forward-hinged rear doors.

HEATED AND COOLED FRONT SEATS The ultimate in all-weather comfort, these available seats are appointed in perforated leather.

HEATED STEERING WHEEL Standard on Denali, the leather-wrapped, heated steering wheel adds warmth whenever you demand it.

GENEROUS STORAGE The available center floor console maximizes space with a cavernous storage bin large enough for hanging files, a laptop or mobile devices. Pockets on either side of the console and in the door panels offer “grab and go” convenience to help keep everything within easy reach. There are also twin glove boxes [with a new USB port in the upper box on select models] to give you and your companions personal storage areas.

POWER FRONT SEATS Get comfortable at the touch of a button with power-adjustable front seats. Driver-seat adjustment is available for 40/20/40 seating with select equipment packages, and power driver and passenger seats are included with all bucket seats on SLE (10-way driver/six-way passenger), SLT (10-way) and Denali (12-way).
THE SUMMIT.
CONSIDER IT ACHIEVED.

At GMC, our designers love details as much as our engineers do. Proof of that is most apparent in Sierra Denali, achieving a level of perfection—and attention—that begins with a purposeful premium design where there is no such thing as a small detail. It takes one look at its appointments to realize that Denali is as well designed as it is well engineered.

EXCLUSIVE 20" CHROME DENALI STAMPED WHEELS.

ICONIC DENALI GRILLE.

CHROME 6" RECTANGULAR ASSIST STEPS.

BODY-COLOR BUMPERS.
SIERRA CREW CAB SLT IN IRIDIUM METALLIC
shown with available equipment.
QUIET INSIDE BEGINS OUT HERE.

Sierra’s purposeful design helps reduce wind noise for a quiet cabin while increasing fuel efficiency. A wind-tunnel-crafted appearance means air is used to help rather than hinder—cooling the engine or otherwise flowing smoothly, and quietly, over Sierra’s sculpted surfaces. Sierra SLT surrounds its premium cabin with chrome accents, bold wheels and distinctive lighting.

CHROME MIRROR CAPS, DOOR HANDLES AND BODYSIDE MOLDINGS.

HEATED, POWER-FOLDING OUTSIDE MIRRORS WITH TURN-SIGNAL INDICATORS.

PROJECTOR-BEAM HEADLAMPS WITH LED SIGNATURE LIGHTING.

20” CHROME ALUMINUM WHEELS (SHOWN AND AVAILABLE).

1 EPA-estimated 16 city/23 hwy mpg (2WD), 16 city/22 hwy mpg (4WD) with the 5.3L V-8 engine.
Unlike stamped steel, a roll-formed process is used in Sierra's cargo bed for the same reason it's used in submarine hulls: It allows for a higher-grade steel that's stronger, lighter and more durable. Sierra offers a maximum payload of more than a ton¹ (up to 2270 lbs). And depending on the cab, a 5'8", 6'6" or 8' cargo box is available.

**CARGO BOX INNOVATIONS** Simple yet all-too-important elements like standard rail protectors at the top of the box improve damage resistance. And to help reduce turbulence, a rear spoiler is integrated into the top of the tailgate.

¹These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the vehicle loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver's door jamb. ²Cargo and load capacity limited by weight and distribution.
CORNERSTEP REAR BUMPER Integrated into the corners, the bumper steps make it easy to access the cargo box. The deep tread of the step accommodates large boots, and hand assists on the top of the side rails help give you a boost into the bed.

EZ-LIFT AND LOWER TAILGATE Loading the cargo box takes less effort thanks to an available EZ-Lift and Lower Tailgate.

MOBILE TIE-DOWN HOOKS Four patented, load-bearing upper tie-down hooks are standard. Rated at 250 pounds each, they can be repositioned in several places around the box depending on the cargo being secured.

AEROSPATS Air deflectors are located in front of the rear tires to direct air around the wheel openings to help reduce turbulence and drag. The result is a more efficient driving experience.

SPRAY-IN BEDLINER To provide a permanent, nonskid surface, the available (standard on Denali) black liner covers the entire bed below the side rails, including the tailgate, front box top rail and lower tie-down loops.

LED UNDER-RAIL LIGHTS Standard on most models, LED lights are conveniently positioned under each cargo box rail to make it easier to load or unload at night, or when the box is enclosed by a tonneau cover.
FOUR DOORS. TWO CHOICES.

Our designers and engineers work well together. So they combined their skills to create two distinct cab options for the 2015 Sierra. Both the Crew and the Double Cabs provide up to six-passenger seating and easy access with the addition of traditional forward-hinged rear doors. This was accomplished without enlarging the cabin or adding extra weight.

DOUBLe Cab The Sierra Double Cab features forward-hinged rear doors to make it easier to get into and out of the rear seats. Once inside, passengers will benefit from 34.6” of leg room. [Double Cab models come with a standard 6’ 6” cargo bed.]

CREW Cab The Sierra Crew Cab, with 40.9” of generous rear-seat leg room, makes for comfortable companions. On both models, the doors and the second-row openings are large to accommodate unobstructed entry and exit. [Crew Cab models come with a 5’ 8” cargo bed or an available 6’ 6” cargo bed.]
**ICONIC GRILLE** Sierra Denali’s commanding presence is immediately signaled by the unique appearance of its chrome three-dimensional grille.

**ENGINEERED AIRFLOW** To manage and optimize airflow, Sierra’s dimensional grille captures a large percentage of air to help cool the engine. Only air necessary for cooling is directed into the engine compartment, while the rest flows smoothly around the truck.

**BODY-COLOR BUMPER** Along with a chrome lower fascia, Denali’s body-color front bumper gives Sierra an unmistakable style.

**STYLING WITH A PURPOSE** Sierra was crafted with the purpose of commanding plenty of attention. This is accomplished with strong, muscular lines and distinctive curves. Even the way the wheel arch moldings are tightly integrated into the fenders helps protect the finish against chipping from stones and debris.

**EXCLUSIVE 20” CHROME WHEELS** There’s no mistaking these available 10-spoke 20” aluminum wheels. Denali is tastefully stamped into the rims.

**SIGNATURE LIGHTING** In a GMC pickup first, Sierra features projector-beam headlamps fully integrated into the grille surround. The headlamps create a bold, distinctive appearance, further enhanced with available LED signature lighting (standard on All-Terrain, SLT and Denali).
SIERRA ALL-TERRAIN: TRUE TO ITS NAME.

Keep going long after the pavement ends. Sierra with 4WD and its available All-Terrain Package sees paved roads as a suggestion because it’s engineered to conquer challenging terrain. Inside, no matter how rugged the going gets, it’s durable, comfortable and supportive.
EXCLUSIVE ALL-TERRAIN CABIN DESIGN
This distinctive interior provides a supportive environment as well as carbon-fiber-inspired accents, unique All-Terrain leather-appointed seating with French seam contrasting red stitching (SLT only), special dark aluminum IP material, Bose premium audio system (SLT only) and other All-Terrain appointments.

Z71 OFF-ROAD SUSPENSION
Featuring monotube Rancho® shocks, the legendary Z71 suspension allows you to go beyond mere sightseeing to truly explore the great outdoors.

AUTOTRAC 4WD TRANSFER CASE
This 4WD system is ideal when traction conditions are variable. When driving in AUTO, the front axle is engaged and power is sent to the front and rear wheels automatically based on the driving situation.

HIGH-CAPACITY AIR CLEANER
With off-road adventures come all sorts of dirt or debris attempting to invade the engine. The cleaner is engineered with a larger filter area that requires changing less often.

BODY-COLOR GRILLE AND BUMPERS
To match the serious off-roading you’ll be doing as well as the body color, All-Terrain features a grille and bumpers to match. Its rugged appearance sets this Sierra apart from the rest.

UNDERBODY SHIELD PROTECTION
Venturing off-pavement means encountering just about anything. This shield helps protect vital components under the truck.

ALL-TERRAIN WHEELS
Available ultra-bright machined-aluminum wheels with painted accents are shown at left.
The Sierra EcoTec3 engines—4.3L V-6, 5.3L V-8 and 6.2L V-8—feature Direct Injection (DI), Active Fuel Management (AFM) and continuously Variable Valve Timing (VVT) to deliver power when it’s needed and fuel efficiency when it isn’t. No other competitive pickup offers all of these technologies standard in its engines. In fact, the available 5.3L V-8 generates both 355 hp and 23 mpg hwy. The available 6.2L V-8 will be paired with the new Hydra-Matic 8-speed automatic transmission on SLT and Denali models.

DI: PRODUCES PRECISE FUEL DISTRIBUTION AND FAST, EFFICIENT COMBUSTION.

AFM: SENSES LOAD AND DEMAND TO ACTIVATE OR DEACTIVATE CYLINDERS FOR OPTIMUM FUEL EFFICIENCY.

PISTON COOLING: SPRAYS OIL UNDER PISTONS AND ON CYLINDER WALLS TO MAXIMIZE POWER AND DURABILITY.

VVT: RESPONSIVE IN LOW-SPEED AND OPEN-ROAD PASSING OR TRAILERING.

1EPA-estimated mpg for 4.3L EcoTec3 engine: 18 city/24 hwy [2WD], 17 city/22 hwy [4WD]; 5.3L EcoTec3 engine: 16 city/23 hwy [2WD], 16 city/22 hwy [4WD]; 6.2L EcoTec3 engine: 15 city/21 hwy [2WD], 15 city/21 hwy [4WD].
SEEKS COMFORT AND CONTROL. 
A THOUSAND TIMES A SECOND.

New for 2015, Sierra Denali features Magnetic Ride Control, a suspension system that actually speed-reads, thinks and reacts to changes in the road long before you ever could. All you have to do is feel a more comfortable, controlled ride.

MAGNETIC RIDE CONTROL For smoothness and refinement rivaling that of premium luxury sedans, Sierra Denali features the remarkable capability of next-generation Magnetic Ride Control. It senses changes in the road surface up to 1000 times per second, instantly adjusting each shock absorber for maximum comfort and control without sacrificing agility.

HYDROFORMED FRAME Providing Sierra with the ultimate in a solid foundation is a hydroformed, fully boxed, high-strength steel frame.
CORROSION-RESISTANT DURALIFE BRAKE ROTORS
GMC engineers used patented Ferritic Nitro-Carburizing (FNC) technology that can help double rotor life.

COIL-OVER-SHOCK FRONT SUSPENSION
This fully independent system is precisely tuned for improved handling.

HIGH LATERAL-RATE BODY MOUNTS
Connecting the body to the frame are high lateral-rate hydraulic and shear-style body mounts. You’ll enjoy a smoother, quieter ride.

ELECTRIC RACK-AND-PINION STEERING
The electric variable assist power rack-and-pinion steering system on Sierra improves fuel efficiency versus engine-powered systems.

AUTOMATIC LOCKING REAR DIFFERENTIAL
This available feature directs power to the wheel with the most traction on loose gravel or slippery surfaces.

STABILITRAK
Sierra’s electronic stability control system helps improve stability by detecting and reducing traction loss. SEE IT IN ACTION AT GMC.COM/STABILITRAK2015.

LARGE RING GEARS
On Sierra 5.3L engine models, the rear axle features a large (9.5") ring gear. Choose the Max Trailering Package or a 6.2L model and it increases to 9.76". The rear axles are engineered to handle the robust power and provide durability.

*EPA-estimated mpg for 4.3L EcoTec3 engine: 18 city/24 hwy (2WD), 17 city/22 hwy (4WD); 5.3L EcoTec3 engine: 16 city/23 hwy (2WD), 16 city/22 hwy (4WD); 6.2L EcoTec3 engine: 15 city/21 hwy (2WD), 15 city/21 hwy (4WD).
STRENGTH IN NUMBERS: PULLS UP TO 12,000 LBS.¹

The 2015 Sierra is all about strength, enough to achieve a standard V-6 engine trailer weight rating of up to 7600 lbs.¹ On select models with the available 6.2L V-8 and Max Trailering Package, it produces a robust trailer weight rating of up to 12,000 lbs,¹ based on SAE J2807 performance requirements. And the available 5.3L V-8 comes in at 11,200 lbs¹ with the Max Trailering Package.

¹Sierra’s 7600-lb rating requires Sierra Regular Cab Standard Box 4WD with 4.3L EcoTec3 V-6 engine. Sierra’s 12,000-lb rating requires Sierra Double Cab or Crew Cab Short Box 2WD with 6.2L EcoTec3 engine and Max Trailering Package. Sierra’s 11,200-lb rating requires Sierra Double Cab 2WD with 5.3L EcoTec3 engine and Max Trailering Package. Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner’s Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

HILL DESCENT CONTROL. Activated by pushing a button that’s easy to reach, this available feature uses antilock braking for a smooth and controlled hill descent in rough terrain without you having to touch the brake pedal.

MAX TRAILERING PACKAGE. Increased trailering capacity results when Sierra is equipped with this available feature. It includes 9.76" ring gear, 3.73 axle ratio with the 5.3L V-8 [3.42 with 6.2L V-8], trailer brake controller, enhanced cooling radiator, revised shock tuning and heavier-duty rear springs.
HILL START ASSIST Sensors automatically detect when Sierra is on a 5 percent grade or more. It holds the brakes momentarily or until the accelerator is pressed, preventing rollback.

TOW/HAUL MODE To give you even more power to accelerate when trailering or hauling heavy loads, Tow/Haul mode raises transmission upshift points.

TRAILER SWAY CONTROL Keeps both you and your trailer heading in the same direction, automatically. It detects a swaying trailer, and applies both the vehicle’s and the trailer’s brakes (if properly equipped) to help bring it back in line.

TRAILER BRAKE CONTROLLER For fingertip control and easy monitoring of your trailer brakes, Sierra offers an available integrated trailer brake controller. It displays the level of brake force or “gain” in the Driver Information Center.

AUTO GRADE BRAKING It automatically senses when you want to slow your Sierra and engages a Grade Braking shift pattern to help maintain your desired speed.

TAPSHIFT For full command over the truck’s shifting, TapShift controls on the shift lever are backed by a patent-pending shift algorithm that improves shift response time.
GIVES YOU A HEADS-UP. BY THE SEAT OF YOUR PANTS.

In an overstimulated world of flashing lights and beeping sounds, Sierra uses your sense of touch to get your attention. It’s the first pickup to offer driver alert safety technologies. Safety features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner’s Manual for more important safety information.

FRONT AIR BAGS
To help reduce the risk of injury to passengers, dual-stage frontal air bags use sensors to gauge the severity of a crash, then determine whether to deploy one or two levels of inflation. A Passenger Sensing System for the outboard front passenger automatically turns off the air bag if the passenger is under the appropriate weight.

HEAD CURTAIN SIDE-IMPACT AIR BAGS
They unfurl from the roof rail like a protective curtain for outboard passengers and are activated by either rollover or side-impact sensors.

1 Air bag inflation can cause severe injury or death to anyone too close to the bag when it deploys. Be sure every occupant is properly restrained. Always use safety belts and the correct child restraint for your child’s age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner’s Manual and child safety seat instructions for more safety information.
SEAT-MOUNTED SIDE-IMPACT AIR BAGS To help protect the thorax and pelvic regions of the driver and outside front passenger in a side-impact collision, side-impact air bags are mounted on the driver and outside front passenger seat.

REINFORCED STEEL SAFETY CAGE DESIGN Sierra’s robust body structure is engineered to help maintain the integrity of the passenger compartment in the event of a collision. All steel from wheel to wheel, it’s designed to crush in a controlled manner, absorbing as much of the energy of a crash as possible.

LANE DEPARTURE WARNING This available technology alerts the driver when Sierra drifts over a lane line without signaling while traveling at least 35 mph.

LATCH CHILD SEAT ANCHORING SYSTEM LATCH stands for Lower Anchors and Top tethers for Children. A LATCH seat will install to specially designed retainer hooks with an audible “click.” You can also install a top tether strap that helps limit movement in a forward crash, helping reduce the chance of injury.

SAFETY ALERT DRIVER SEAT Relaying inputs from Forward Collision Alert and Lane Departure Warning, the available Safety Alert Driver Seat uses a patented warning approach to alert the driver of potential traffic danger using directional vibration pulses within the seat cushion. WATCH THEM COME TO LIFE AT GMC.COM/CONFIDENCE2015.

FORWARD COLLISION ALERT The available Forward Collision Alert warns you when you’re rapidly approaching another vehicle and it appears a collision is imminent.
GMC PRO GRADE PROTECTION.
PROFESSIONAL GRADE COVERAGE.

Pro Grade Protection is standard on every 2015 Sierra. From scheduled maintenance to protecting your entire vehicle, you can drive with confidence.

2-YEAR/24,000-MILE RECOMMENDED SCHEDULED MAINTENANCE

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY

5-YEAR/100,000-MILE POWERTRAIN LIMITED WARRANTY
THERE WHEN YOU NEED US.

Standard for 5 years on most models, the OnStar Basic Plan helps keep you connected, while the OnStar Directions & Connections Plan, lets you speak to a live OnStar Advisor just by pressing the blue OnStar button in your vehicle.

AVAILABLE ONSTAR 4G LTE HOTSPOT® Super-fast speeds unleash the full potential of portable devices by allowing you and your companions to play, work, game and surf in your Sierra. This built-in Wi-Fi hotspot (with 3-month/3GB trial, whichever comes first) enhances your productivity and entertainment.

ONSTAR BASIC PLAN Stay connected to everyone and everything that matters with the OnStar Basic Plan on 2015 vehicles, including RemoteLink Key Fob Services¹ to remotely start (if factory equipped) and lock/unlock your car, and activate your horn and lights from anywhere. Plus, get OnStar Vehicle Diagnostics and Dealer Maintenance Notification to make service scheduling simple. If your vehicle has OnStar with 4G LTE, you have available access to a high-speed Internet connection and in-vehicle Wi-Fi hotspot so you can connect to your favorite Web content on the go. For emergency and Advisor-based services, check out our additional plans.

AUTOMATIC CRASH RESPONSE® In many crashes, built-in sensors can automatically alert an OnStar Advisor who is immediately connected into your vehicle to see if you need help sent to your location—even if you can’t respond.

CRISIS ASSIST During severe weather or other crisis situations, OnStar offers assistance to help you connect with loved ones and navigate your way to safety.

EMERGENCY SERVICES If someone in your Sierra needs emergency help, the OnStar emergency button gives you a priority connection to a specially trained Advisor at any time, day or night.

ROADSIDE ASSISTANCE® If you’re stranded, run out of gas or have a flat tire, one push of the OnStar button can immediately connect you to an Advisor, ready to help any hour of the day or night.

SECURITY FEATURES® Remote Door Unlock, Remote Horn and Lights and Stolen Vehicle Assistance provide help when you need it.

HANDS-FREE CALLING® WITH VOICE COMMAND This available feature allows you to push a button, call out the number and keep your eyes on the road.

TURN-BY-TURN NAVIGATION All you have to do is push your blue OnStar button and ask the OnStar Advisor to download directions to your Sierra.

ONSTAR eNAV WITH MAPQUEST.COM™ Get a head start on a trip by checking out your destination on mapquest.com. Then just click “Send” and directions will be sent to your Sierra.

DESTINATION DOWNLOAD With the optional Navigation System, simply press your blue OnStar button, and an Advisor will download directions to your Sierra’s navigation screen.

¹Covers only scheduled oil changes with filter, four-wheel tire or single-rear-wheel rotations and 27-point inspections, according to your new vehicle’s recommended maintenance schedule, for up to 2 years or 24,000 miles, whichever comes first. Does not include air filters. Maximum of four service events. See participating dealer for other restrictions and complete details.
²Whether comes first. See dealer for limited warranty details.
³Access is available for 5 years from date of delivery and is transferable. Does not include any emergency services. To cancel RemoteLink Key Fob Services or if your vehicle is sold, it is important to contact an OnStar Advisor. See onstar.com/mobile for full details.
⁴Device must be WPA2 compliant with active OnStar service and data plan. Wi-Fi devices manufactured prior to 2006 may not be compatible. Please consult your device manufacturer for information regarding the WPA2 security protocol and Wi-Fi device compatibility. Vehicle must be started or in accessory mode to access Wi-Fi. Visit onstar.com for details and system limitations.
⁵OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. Roadside service provided by Allstate Roadside Services. Services vary by model and conditions.
⁶Visit onstar.com for coverage map, details and system limitations. OnStar Hands-Free Calling requires existing OnStar service contract and prepaid minutes. Not available in certain markets. Calls can be made in U.S. and Canada only.
ALL WHEELS ARE ROUND. NOT ALL WHEELS ARE GMC WHEELS.

Building a Professional Grade truck like the 2015 Sierra means engineering every inch of it from the ground up—including the wheels it rides on. That’s why you’ll find a selection of specifically designed GMC wheels in a range of styles and sizes for your Sierra.

1  SOFT TONNEAU COVER
2  ASSIST STEPS
3  22" WHEELS
4  CHROME RECOVERY HOOKS

---

**22" WHEELS** Stand out from the crowd with these factory-engineered and -approved wheels from GMC Accessories. Use only factory-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For approved tire and wheel combinations and other important information, go to gmcaccessories.com or see your GMC dealer for details.

- **22" 7-Spoke Silver Wheel (SF1)**
- **22" 6-Spoke Chrome Wheel (SEZ)**
- **22" 5-Spoke UBM/Hi Gloss Black Wheel (SEW)**
- **22" 6-Spoke Manoogian Silver Wheel with UBM (SFO)**
GIVE YOUR SIERRA A SINGULAR STYLE.

Engineered to the same Professional Grade standards as your Sierra, GMC Accessories range from functional enhancements like assist steps and bed management systems to stylish wheels and accents.

**.Chrome Fuel Door** Add a distinct personality to the exterior of your Sierra with this stylish dealer-installed chrome fuel door.

**Chrome Tailgate Handle** To help distinguish your Sierra, this good-looking chrome accent handle helps set off the tailgate.

**Chrome Recovery Hooks** Add functionality and enhance the appearance of your Sierra with chrome recovery hooks. These front hooks are for vehicle recovery only. For more information, see your GMC Owner’s Manual.

**All-Weather Floor Mats** Be prepared for all conditions with these premium all-weather floor mats. Their deep-ribbed pattern collects debris.

**Soft Tonneau Cover** A roll-up soft folding tonneau with integrated crossbows shields cargo and allows full access to the bed. The cover also helps protect the bed itself from debris and harsh weather conditions.

**Chrome Exhaust Tips** These polished exhaust tips add a sporty appearance to your Sierra and feature the GMC logo.

**Assist Steps** Make it easier to get into and out of your truck with these stylish steps. The 6” oval are aluminum and the 4” round are stainless steel. Both are rust-resistant and available in either chrome or black powder coat.

1. Cargo and load capacity limited by weight and distribution.
2. When properly equipped, includes weights of vehicle, passengers, cargo and equipment.
3. When running on E85, Sierra 1500 offers an EPA-estimated 12 city/17 hwy mpg with the 5.3L V-8. E85 FlexFuel capability is not available in AZ, CA, CT, DE, MA, MD, ME, NJ, NY, OR, PA, RI, VT and WA. E85 is a combination of 85% ethanol and 15% gasoline. Go to afdc.energy.gov/afdc/fuels to see if there is an E85 fuel station near you.
4. Capacities and weight ratings are dependent on model, engine, transmission and GVWR combinations. See your GMC dealer for details.
These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the vehicle loading section of the Owner’s Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver’s door jamb.

Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner’s Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

Requires Max Trailering Package.

100/xxx=100 lbs maximum of permanently attached snow plow mounting hardware/xxx lbs maximum of removable snow plow blade and blade hardware. Maximum plow weights based on a vehicle with average manufacturer option content and 150 lbs each for driver and one additional front-seat occupant. Additional equipment and occupants will reduce maximum plow weight. Rear compensating weight may be required to maintain front axle weight below 65% of total vehicle weight when equipped with snow plow. Consult your snow plow manufacturer for specific compensating weight recommendation.

THE INDUSTRY’S BEST PICKUP COVERAGE

For 2015, Sierra comes with the Pro Grade Protection Plan, which includes 2-year/24,000-mile recommended scheduled maintenance,3 3-year/36,000-mile bumper-to-bumper limited warranty,2 and 5-year/100,000-mile powertrain limited warranty.2 Roadside Assistance and Courtesy Transportation. Starting with the owner orientation—and full tank of gas—you receive when you take possession of your Sierra to the 24-Hour Roadside Assistance, Courtesy Transportation and Travel Benefits, you receive a portfolio of owner privileges that lasts throughout your warranty. For expert product information, Roadside Assistance or other services, call 1-800-GMC-8782.

TRAVEL BENEFITS AND ROADSIDE ASSISTANCE Available around the clock: trip routing service, a program for reimbursement for trip interruption due to necessary warranty repairs, towing, flat tire change, jump-starts and more for 5 or 100,000 miles (whichever comes first).

COURTESY TRANSPORTATION Available at participating dealers: shuttle service, reimbursement of certain public transportation or fuel expenses for overnight warranty repairs and courtesy rental for overnight work repairs. See your dealer for details.

GMC OWNER CENTER A complimentary, one-stop resource to enhance your GMC ownership experience. It’s easy to sign up. Just go to gm.com/gmownercenter/gmc.

ONSTAR OnStar is a core asset of your Sierra. Benefiting from more than a decade of innovative development, it is both a highly advanced technology—fully integrated within the vehicle—and a warm human service. Standard on most Sierra models are 6 months of the OnStar Directions & Connections Plan, including the convenience of available Hands-Free Calling.4 It also includes Automatic Crash Response, Stolen Vehicle Assistance, link to Emergency Services, Roadside Assistance, Remote Door Unlock, OnStar Vehicle Diagnostics, Crisis Assist and Remote Horn and Lights. OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. Visit onstar.com for coverage maps, details and system limitations. Services vary with conditions.

SIRIUSXM SATELLITE RADIO SiriusXM Satellite Radio® is standard on most Sierra models. It includes 3 trial months of service. SiriusXM Satellite Radio makes your drive come alive with commercial-free music channels from virtually every genre, artist-dedicated channels, live performances and more. Tune in to live play-by-play from the biggest sports, exclusive entertainment from top personalities, compelling talk, hilarious comedy, world-class news, local traffic and weather and family-friendly programming. Welcome to the world of satellite radio. Visit siriusxm.com for details.

GMC CERTIFIED SERVICE Certified Service To help your Sierra live up to its performance promise, GMC Certified Service—found exclusively at your GMC dealer—is there.

With all the engineering excellence in Sierra, GM-trained technicians have the expertise to care for all of it.

ADDITIONAL NOTES

A NOTE ON CHILD SAFETY Always use safety belts and the correct child restraint for your child’s age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner’s Manual and child safety seat instructions for more safety information.

TRAILERING AND OFF-ROAD INFORMATION Please carefully review the Owner’s Manual for important safety information about trailering or off-road driving in your vehicle.

FLEET ORDERS Some standard content may be deleted with fleet orders. See dealer for details.

ENGINES GMC products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in GMC products may also be used in other GM makes and models.

GMC.COM See more of Sierra on our Web site: gmc.com/sierra. More photos and information; hot links to related subjects; convenient dealer locator; pricing guide, spec out your own vehicle. Or call 1-800-GMC-8782.

Learn more at buypowercard.com. YOUR CARD IS THE KEY.®

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your GMC dealer for complete details. GMC reserves the right to lengthen or shorten the model year for any product for any reason, or to start and end model years at different times. All competitive claims are based on the latest information available at the time of printing and 2014 GM Large Pickup segment.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New-Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations [or any effect of the alterations] to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

NEW-VEHICLE LIMITED WARRANTY All GMC light-duty vehicles come with a fully transferable, no-deductible 5-Year/100,000-Mile (whichever comes first) Powertrain Limited Warranty. GM vehicles registered in the USA are also covered for 3 years or 36,000 miles (whichever comes first). Coverage includes tires and towing to your nearest GMC dealership. Repairs will be made to correct any vehicle defect and most warranty repairs will be made at no charge. In addition, rust-through corrosion will be covered for 6 years or 100,000 miles (whichever comes first). Sierra also comes with a 2-year/24,000-mile (whichever comes first) recommended scheduled maintenance plan.6 See dealer for details.

ASSEMBLY GMC vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce GMC vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

GMMOBILITY.COM [1-800-323-9935] GM Mobility offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

1 Covers only scheduled oil changes with filter, four-wheel tire or single-rear-wheel rotations and 27-point inspections, according to your new vehicle’s recommended maintenance schedule, for up to 2 years or 24,000 miles, whichever comes first. Does not include air filters. Maximum of four service events. See participating dealer for other restrictions and complete details. 2 Whichever comes first. See dealer for limited warranty details. 3 Visit onstar.com for coverage map, details and system limitations. OnStar Hands-Free Calling requires existing OnStar service contract and prepaid minutes. Not available in certain markets. Calls can be made in U.S. and Canada only. 4 If you subscribe after your trial period, subscriptions are continuous until you call SiriusXM to cancel. See SiriusXM Customer Agreement for complete terms at siriusxm.com. Other fees and taxes will apply. All fees and programming subject to change. For more information about NavTraffic, visit siriusxm.com/navtraffic. XM satellite service is available only to those in the 48 contiguous USA and DC.
