PROOF THAT PRECISION MATTERS: THE ALL-NEW 2017 ACADIA.

It matters in every pound-foot of torque, every millimeter of fit and finish and every decibel of quiet. That’s what drives us to reimagine solutions and create rewarding driving experiences. Your daily life—and your expectations—inspired us to precisely craft the all-new 2017 Acadia. And with the new Acadia All Terrain, we’ve enabled your off-road travels as well. This is what you’ve been waiting for. This is Professional Grade.
**THE SUV THAT MOBILIZES YOUR LIFE.**

We designed the 2017 Acadia to help you accomplish more, all while enjoying a premium experience.

THE PEAK. THE PINNACLE. THE NAME SAYS IT ALL.

Acadia Denali is the highest elevation of Professional Grade. Its all-new styling includes a unique dimensional chrome grille, sculpted wheel openings, distinctive roof rails, body-color lower cladding and chrome-accented door handles. This is Denali, so the features don’t stop there.

+ HID HEADLAMPS WITH LED SIGNATURE LIGHTING
+ EXCLUSIVE DENALI GRILLE
+ DUAL SKYSCAPE SUNROOF (AVAILABLE)
+ 20" BRIGHT ALUMINUM WHEELS WITH MIDNIGHT SILVER ACCENTS
+ DENALI-EMBOSSED CHROME LOWER BODYSIDE MOLDING
+ HANDS-FREE POWER LIFTGATE
REFINEMENT: THE NEXT LEVEL.

Acadia Denali accommodates family and friends in refined, quiet and comfortable surroundings. It offers premium materials such as authentic wood accents and warm-tone burnished aluminum trim. Refinements continue with Denali-embroidered head restraints, supportive heated and vented leather-appointed front seats and heated second-row seats accentuated with French seam stitching. The Denali-specific leather provides a smooth, premium feel. Denali also offers an easy second-row pass-through to the third row.

+ SEATING FOR UP TO SEVEN WITH GENEROUS INTEGRATED STORAGE
+ KEYLESS OPEN AND START
+ PREMIUM LEATHER APPOINTMENTS
+ CUSTOMIZABLE DRIVER DISPLAY
+ HAND-STITCHED HEATED, LEATHER-WRAPPED STEERING WHEEL
+ SAFETY ALERT DRIVER SEAT

THE ART OF UTILITY.

You’ll appreciate how Acadia SLT’s style fits in everywhere. Its all-new design introduces itself with a new dimensional grille and nearly seamless wraparound rear window glass. To help Acadia SLT maintain its style over time, lower door cladding adds a rugged, durable finish. And for more refined aerodynamics, we finely tuned Acadia’s sleek design to help increase efficiency and reduce interior noise.

+ REIMAGINED EXTERIOR WITH SCULPTED THREE-DIMENSIONAL GRILLE
+ NEW 20" BRIGHT ALUMINUM WHEELS WITH LIGHT ACCENTS (AVAILABLE)
+ BODYSIDE CLADDING ADDS A PRACTICAL AND AESTHETIC DETAIL
+ PROGRAMMABLE POWER LIFTGATE
ACADIA SLT-2 IN DARK SAPPHIRE BLUE METALLIC shown with available equipment.
THE LAP OF PREMIUM.

You spend a lot of time behind a steering wheel. Acadia is designed to ensure it’s the most comfortable, sophisticated, quiet and accommodating time of your day. Acadia SLT begins with seats that support your body for exceptional ride enjoyment no matter how far you travel. Acadia also features available heated front and second-row seats. And getting to the third row is simple with just one hand thanks to new easy-to-use second-row Smart Slide seats.

+ SMART SLIDE SECOND-ROW SEATS
+ TRI-ZONE AUTOMATIC FRONT AND REAR CLIMATE CONTROLS
+ DRIVER MEMORY SEAT AND MIRRORS (AVAILABLE)
+ CENTER CONSOLE STORAGE WITH REAR STORAGE DRAWER
ACADIA SLT-2 INTERIOR IN COCOA/LIGHT ASH GRAY

All Terrain

Our Newest Frontier: The First-Ever All Terrain.

Some of the best areas of our country have no paved roads. But now, that won’t stop you thanks to the new Acadia All Terrain. In true GMC dedication, style didn’t lose out to rugged capability. In fact, refinement is quickly apparent in All Terrain’s stealthy, sporty design. Its unique tone-on-tone look utilizes black chrome and dark accents to create a distinctive appearance, as do the All Terrain grille, badge, skid plates, roof rails and mirror caps.

+ Exclusive All Terrain Exterior Design
+ Unique All Terrain Aluminum Wheels
+ Integrated Assist Steps (Available Accessory)
+ Advanced AWD System with Active Twin-Clutch
ACADIA ALL TERRAIN IN EBONY TWILIGHT METALLIC
shown with available equipment
GET AWAY WITHOUT ROUGHING IT.

Creating the Acadia All Terrain meant balancing its obvious rugged capabilities with a premium, ultra-supportive environment. We began by designing a cabin and seat environment inspired by outdoor gear. Then we added front seats that are comfortable even when the going gets rough. With seating for up to five, All Terrain adds two covered under-floor bins to store your gear in a safe, secure, easily accessible location.

+ DISTINCTIVE ALL TERRAIN INTERIOR
+ CARGO MANAGEMENT SYSTEM (AVAILABLE)
+ SEATING FOR UP TO FIVE
+ GENEROUS UNDER-FLOOR STORAGE BINS
+ PREMIUM HEAVY-DUTY FLOOR AND CARGO MATS
YOUR ULTIMATE MOBILE DEVICE.

When it comes to keeping us connected, informed and entertained, we believe the smarter the technology, the more mobile, intuitive and easy to use it has to be. The all-new Acadia is all about that.

PHONE INTEGRATION Acadia offers Apple CarPlay™ and Android Auto compatibility. With Apple CarPlay™, the apps you love on your iPhone® come alive through Siri® or the built-in display, while Android Auto easily integrates the power and functionality of your Android phone into Acadia. Just plug into the USB™ outlet and go.

4G WI-FI® HOTSPOT® Available 4G built-in Wi-Fi (3-month or 3GB data trial, whichever comes first) means a fast Internet connection for Web-enabled devices when Acadia is running. It’s reliable, powerful and easy to use, and can connect up to seven devices up to 50 feet around Acadia.

VOICE AND TOUCH-SCREEN NAVIGATION In response to your voice or touch, Acadia’s available Navigation System displays 2-D or 3-D map graphics. Also included, NavTraffic® (with 3 trial months of SiriusXM) incorporates real-time traffic and road conditions.

CUSTOMIZED DRIVER DISPLAY Denali’s reconfigurable gauge cluster allows you to personalize the new 8” diagonal color Driver Information Center to control what you see and how you see it.
SURROUND VISION CAMERA On Denali models, the available system provides a bird’s-eye view around Acadia. It’s helpful for reducing blind spots and in low-speed situations such as parking. Also available is the Active Tow System to help when hitching a trailer.

INTELLILINK® WITH 7” OR 8” SCREEN GMC IntelliLink features full-color, 7” or available 8” diagonal screens for easy viewing and voice-activated control of your smartphone. You can receive vocalized text messages, benefit from Siri® Eyes Free1 assistance, connect libraries from multiple devices and store phone contacts.

BOSE® PREMIUM AUDIO SYSTEM The optional Bose eight-speaker system with subwoofer is engineered to give you the realism and presence of a live performance.

1Requires a compatible mobile device, active OnStar service and data plan. 4G service available in select markets. Visit onstar.com for coverage map, details and system limitations. 1Vehicle user interfaces are products of Apple® and Google and their terms and privacy statements apply. Requires compatible smartphone. Data plan rates apply. 1Not compatible with all devices. 1Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada. 1If you subscribe after your trial period, subscriptions are continuous until you call SiriusXM to cancel. See SiriusXM Customer Agreement for complete terms at siriusxm.com. Other fees and taxes will apply. All fees and programming subject to change. For more information about NavTraffic, visit siriusxm.com/navtraffic. XM satellite service is available only to those in the 48 contiguous USA and D.C. 1Full functionality requires compatible Bluetooth® and smartphone. Some devices require USB connectivity. Data plan rates apply. 1Requires IntelliLink and compatible iPhone® running iOS 6 or newer.
ACADIA DENALI INTERIOR IN JET BLACK
shown with available equipment.
DESIGNED AROUND YOU.

Slide into the 2017 Acadia and discover it's made for you. We set out to create unsurpassed levels of fit, finish and overall craftsmanship. Precision matters in everything that carries the GMC name. It’s the key to an outstanding level of refinement throughout Acadia.

PREMIUM SEATING To enhance ride enjoyment, newly designed seats provide exceptional comfort. Acadia offers the choice of available heated or heated and vented [on Denali] front seats and available second-row heated seats.

AUTHENTIC MATERIALS The satin-finish aluminum trim is inspired by today’s refined products and furnishings. Cabin accents feature linear patterns and low-gloss finishes for a sophisticated appearance. Denali presents authentic wood accents and embroidered front head restraints and its own warm-tone burnished aluminum for a distinctive style.

INTEGRATED STORAGE Ingeniously positioned storage bins don’t interrupt cabin flow. In the second row, a rear-facing console drawer (not available on All Terrain) is the ideal place to secure small electronics. There’s even a rubber-lined compartment under the climate controls that is removable and dishwasher-safe.

INSTRUMENT PANEL DESIGN To provide the best ergonomics, Acadia presents information and controls in an easy, at-a-glance style, while a soft-touch surface offers a premium feel.

RELAXED CABIN LIGHTING Acadia offers blue and white lighting on the instrument panel and touch-screen display. This combination creates a calming atmosphere that forms the centerpiece of Acadia’s interior style.

PRECISE FIT AND FINISH Throughout the cabin, elements come together precisely—from the way the aluminum integrates with trim panels to how the center console and the doors flow smoothly into the instrument panel.
ACADIA DENALI INTERIOR IN COCOA/SHALE
shown with available equipment.
ADAPTS AS EASILY AS YOU DO.

Because your life is all about being productive during the day and enjoying a night out with family and friends, Acadia is here to accommodate. Perhaps the best enabler of this versatility is the new second-row Smart Slide seats that require just one hand to easily access the third row.

**NEW SMART SLIDE SEATS**
The second-row passenger Smart Slide seats tip, pitch and slide for easy third-row access—even when a child seat is attached. The tip/slide option on the driver’s side of the seat folds and slides the second row, offering ample room for entry and exit. And it can all be done using just one hand.

**REAR-SEAT REMINDER**
This new feature is activated when a second-row door is opened or closed during or just before a trip. When Acadia is turned off, an audible alert and a message in the Driver Information Center remind you to check the second row.

**NUMEROUS SEATING/CARGO ARRANGEMENTS**
Acadia’s remarkable versatility ensures comfortable accommodations for all passengers while still providing expansive cargo capacity. A new innovation is a flat 50/50 split-folding third-row bench seat that makes cargo loading easier while preventing items from sliding around. Also new are release levers that allow you to easily fold the second-row seat from the rear of Acadia.

**HANDS-FREE POWER LIFTGATE**
Acadia Denali features the convenience of a foot-activated power liftgate. Non-Denali models also benefit from an available key fob-operated programmable and height-adjustable power liftgate.
Since we only have eyes in the front of our heads, Acadia Denali offers GMC’s first-ever use of a Surround Vision Camera. It gives you a bird’s-eye view of the area surrounding your Acadia. Safety features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner’s Manual for more important safety information.

**PROTECTION**

**LANE KEEP ASSIST** This new available feature helps the driver keep Acadia in its lane to avoid unintentional lane changes. It assists by gently turning the steering wheel if Acadia approaches a detected lane marking without the turn signal being activated.

**SURROUND VISION CAMERA** On Denali models, an available Surround Vision Camera replaces the Rear Vision Camera System to offer a view around Acadia. It is helpful for reducing blind spots and viewing pavement markings, other vehicles, curbs and general surroundings.

**REAR CROSS TRAFFIC ALERT** It helps alert you to oncoming traffic, especially in parking lot situations. Using radar technology, it looks about 65 feet to the left and right behind Acadia and uses the Rear Vision Camera screen and Safety Alert Driver Seat (if equipped) to issue warnings.
SAFETY ALERT DRIVER SEAT Relaying inputs from Forward Collision Alert and Lane Keep Assist, this available seat helps alert the driver of potential traffic danger using directional vibration pulses within the seat cushion.

FRONT PEDESTRIAN BRAKING This available system issues audible and seat-vibration alerts when Acadia is getting too close to a pedestrian and will take measures to reduce Acadia’s speed to help avoid or reduce the impact.

FORWARD COLLISION ALERT This available system helps warn you when you’re rapidly approaching another vehicle and it appears a collision is imminent.

LANE CHANGE ALERT WITH SIDE BLIND ZONE ALERT Available Side Blind Zone Alert uses sensors to monitor blind spots, alerting you via visual warnings. Working with Side Blind Zone Alert, available Lane Change Alert uses long-range radar to help detect and warn you of fast-approaching traffic in the next lane.

ADAPTIVE CRUISE CONTROL There are two systems: SLT-2 models offer an available camera-based system, while Denali models with Full-Speed Range Adaptive Cruise Control and Front Automatic Braking use a radar-based system.
For all its premium refinements, versatility and life-enhancing technologies, Acadia is still about your ride. That’s why our engineers precisely tuned the 2017 Acadia to seamlessly integrate a multitude of available advanced technologies. From effortless acceleration to powerful braking, and from easily selectable drive modes to a new, highly capable off-road all-wheel-drive system—they all result in a premium driving experience.

+ 2.5L 4-CYLINDER ENGINE WITH STOP/START TECHNOLOGY
+ 3.6L V-6 WITH ACTIVE FUEL MANAGEMENT (AVAILABLE)
+ ELECTRONICALLY CONTROLLED DRIVE MODE SELECTOR (AVAILABLE)
+ CONTINUOUSLY VARIABLE RIDE CONTROL (AVAILABLE)
ACADIA DENALI IN IRIDIUM METALLIC shown with available equipment.
DRIVE MODE SELECTOR

For the ultimate in versatility, this new available feature allows you to select how Acadia responds and adapts to various driving conditions. It allows for real-time control based on changing conditions. You select the desired driving mode in real time to adapt to terrain and weather—Sport, Snow and, on AWD models, going from 2WD to AWD and vice versa on the fly.

CONTINUOUSLY VARIABLE RIDE CONTROL

To produce a smoother, controlled ride, the available system on SLT-2 and Denali automatically minimizes vibrations using sophisticated sensors to tailor the suspension personality to fit the moment.

SMOOTH OVER ROUGH SPOTS. POWER THROUGH CHALLENGES.

We can’t repave the roads or change the weather, but now Acadia can make it seem that way. To do that, Acadia offers several new ride and handling technologies, as well as new powerfully efficient engine options for 2017.

CORROSION-RESISTANT DURALIFE BRAKE ROTORS

GMC engineers used patented Ferritic Nitro-Carburizing (FNC) technology that can help double rotor life.

RACK-MOUNTED ELECTRONIC POWER STEERING

The electric variable-assist power rack-and-pinion steering system on Acadia provides precise handling.

ADVANCED ALL-WHEEL-DRIVE SYSTEM WITH ACTIVE TWIN-CLUTCH (All Terrain)

This new innovation heightens off-road capability by applying torque to the wheel that needs it most.

POWERFUL AND EFFICIENT

POWERFUL AND EFFICIENT
Producing Professional Grade trailering capability, this available engine incorporates continuously Variable Valve Timing and Active Fuel Management, so it’s smart enough to efficiently switch to four cylinders when less power is needed, such as at cruising speeds.

The direct-injected engine utilizes new Stop/Start technology. It shuts down when Acadia comes to a stop for impressive efficiency and starts up again seamlessly. Also included are active grille shutters for maximum aerodynamic efficiency.

**310HP**
3.6L 6-Cylinder

**193HP**
2.5L 4-Cylinder
To help you pursue your weekend passions, we engineered Acadia with a trailering capability of up to 4000 lbs¹ with the available 3.6L V-6.

**Hill Start Brake Assist** Sensors automatically detect when Acadia is on a 5 percent grade or more. The system holds the brakes momentarily until the accelerator is pressed, preventing rollback.

**Tow/Haul Mode** To give you even more power to accelerate when trailering or hauling heavy loads, the available Tow/Haul mode feature raises transmission upshift points.

**Rear Vision Camera and Active Tow System** The center screen serves as your monitor for the camera. Its dynamic grid lines help when hitching a trailer. The new available Active Tow System adds a center grid line to help when backing up or hitching a trailer and real-time viewing of your trailer while you’re moving.

**V-6 Trailering Package** It includes a factory-installed hitch, 7-pin wiring harness and the new Active Tow System in the Rear Vision Camera System. This available package boosts Acadia’s trailer weight rating to 4000 lbs.¹

**Trailer Sway Control** Keeps both you and your trailer heading in the same direction, automatically. It detects a swaying trailer and applies Acadia’s brakes to help bring it back in line.

¹Before you buy a vehicle or use it for trailering, carefully review the trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.
PROFESSIONAL GRADE PROTECTION.

Pro Grade Protection is standard on every 2017 Acadia. From maintenance to protecting your entire vehicle, you can drive with confidence.

INCLUDES 2 MAINTENANCE VISITS DURING THE FIRST 2 YEARS/24,000 MILES¹

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY²

5-YEAR/60,000-MILE POWERTRAIN LIMITED WARRANTY²

5-YEAR/60,000-MILE ROADSIDE ASSISTANCE/COURTESY TRANSPORTATION²

¹Maintenance visits must occur within 2 years or 24,000 miles of vehicle delivery, whichever comes first. Does not include air filters. See participating dealer for other restrictions and complete details.

²Whichever comes first. See dealer for limited-warranty details.
ONSTAR BASIC PLAN With the Basic Plan, you've got a powerful connection to your vehicle and the world around you standard for 5 years at no additional cost to you. You'll have access to select services, which include limited features of the OnStar myGMC mobile app that lets you remote-start your vehicle (if equipped), pinpoint your vehicle on a map on your device and manage your vehicle's Wi-Fi hotspot (if equipped). Plus, send a destination to your in-vehicle navigation screen and lock or unlock your doors—all from your mobile device. Your vehicle can run diagnostic checks on itself and remind you of servicing needs by email.

AUTOMATIC CRASH RESPONSE In a crash, built-in sensors can automatically alert an OnStar Advisor who is immediately connected into your vehicle to see if you need help—even if you can't ask for it.

EMERGENCY SERVICES One push of the red emergency button gives you a priority connection to a specially trained OnStar Advisor who can direct emergency services to your exact location and offer critical assistance until help arrives. With OnStar, you're never alone.

CRISIS ASSIST During severe weather or other crisis situations, OnStar can provide a quick, central point of contact when you need emergency assistance, navigation help or information.

ROADSIDE ASSISTANCE If you're stranded, have a flat tire or need a tow truck, just ask an OnStar Advisor to get help to your exact location to get you back on the road quickly.

STOLEN VEHICLE ASSISTANCE If your vehicle is stolen, OnStar can use GPS to pinpoint and work with authorities to quickly help recover it. On many models, an Advisor can send a signal to slow the vehicle or prevent it from being started. And with the new Theft Alarm Notification feature, if your car alarm sounds, you'll receive a notification by text, email or phone call.

4G WI-FI4 Acadia has an available built-in Wi-Fi hotspot for connecting up to seven tablets, laptops or other devices at 4G speed, so the content you crave is always headed where you are. Requires a data plan after the 3-month or 3GB data trial (whichever comes first).

ONSTAR 4G CONNECTION With powerful 4G connectivity built right into your Acadia, you have your very own mobile command center that provides faster service delivery and lets you stay connected on the go.

ONSTAR myGMC MOBILE APP You can remotely start your vehicle, locate your vehicle on a map, lock or unlock your doors, honk your horn and flash your lights. You can also send destinations to your vehicle through your smartphone.

REMOTE SERVICES5 A simple call to an OnStar Advisor can send a signal to unlock your doors or honk the horn and flash the lights. It's technology hard at work to get you back on the road.

HANDS-FREE CALLING6 Your vehicle has built-in Hands-Free Calling to help keep you safely connected when your cell phone isn't available. Choose from minute bundles or a minutes-per-month plan.

ATYOURSERVICE Life just got easier and more affordable with the personalized connection of AtYourService. By simply pressing the blue OnStar Button, our trusted Advisors can deliver offers for everyday savings from restaurants and retailers on your route, help you locate hotels and even book your room.

ADVANCED DIAGNOSTICS7 Feel confident and safe knowing you have a self-diagnosing vehicle. Now your vehicle can easily run a check on its key systems and send you a monthly diagnostics report. You’ll know more and worry less with Advanced Diagnostics.

DEALER MAINTENANCE NOTIFICATION8 Is it time for a tire rotation? An oil change? Or a new air filter? You’ll always know because your vehicle can email your diagnostics report to the dealer when it’s time, and the dealer will contact you to set up a service appointment.

TURN-BY-TURN NAVIGATION8 Getting directions is as easy as pushing a button and telling an Advisor where you want to go. Directions are quickly downloaded to your vehicle, and a voice calls out every turn. An Advisor can also help you with a database of more than 14 million points of interest. To plan routes in advance, you can send destinations to your vehicle through an Advisor or the myGMC mobile app.9

WE’RE AS CLOSE AS THE BLUE BUTTON.

Standard for 6 months, the OnStar Guidance Plan9 (trial excludes Hands-Free Calling minutes) lets you connect to a specially trained OnStar Advisor just by pushing the blue OnStar button in your Acadia.

ADD YOUR OWN STYLE.

GMC Accessories are designed so you can personalize your Acadia to fit your style as well as your needs. They're also engineered and tested to meet Professional Grade standards.
ASSIST STEPS Get into and out of your Acadia with ease, and improve your reach to roof-mounted cargo, with these stylish integrated assist steps. They feature an integrated step pad for sure-footed traction.

INTEGRATED CARGO LINER The liner covers the cargo-area floor as well as the back of the third-row seats, providing enhanced protection for Acadia’s interior. It articulates with the third-row seatbacks and doesn’t need to be removed when carrying passengers in the third row. Not available on All Terrain.

PREMIUM ALL-WEATHER FLOOR LINERS These liners expand their all-weather coverage with raised edges that follow and protect the floor and trim contours. They offer a textured anti-slip pattern that traps debris and water for maximum carpet coverage. Second-row liners have an interlocking feature that enables easy removal for cleaning. Available in Jet Black, Dark Ash Gray and Cocoa.

CARGO SECURITY SHADE Keep the cargo area of the Acadia hidden with this retractable cargo security shade. Available in Jet Black, Light Ash Gray and Shale.

REAR-SEAT ENTERTAINMENT SYSTEM The system has dual LCD monitors and DVD players mounted on the rear of the front-seat head restraints. Wireless headphones and a remote control allow rear passengers to enjoy the audio. Includes USB and RCA inputs.

ROOF RACK CROSS RAIL PACKAGE Make it easy to attach a cargo carrier with these roof rack cross rails. They add functionality and style and can accommodate up to 220 lbs.

ALL TERRAIN CARGO STABILIZER It mounts to the cargo-area floor rails in your All Terrain. The stabilizer helps prevent shifting of cargo while Acadia is moving and helps keep larger items contained.

ALL TERRAIN TIE-DOWN RINGS These sliding rings [set of four] mount to the floor rails in the cargo area of your All Terrain. They can be positioned anywhere along the length of the rails, providing flexibility to secure cargo of varying sizes.

*Not compatible with all devices. *Cargo and load capacity limited by weight and distribution.

IMPORTANT WORDS

PRO GRADE PROTECTION
For 2017, Acadia comes with the Pro Grade Protection Plan, which includes two maintenance visits1 3-year/36,000-mile Bumper-to-Bumper Limited Warranty1 and 5-year/60,000-mile Powertrain Limited Warranty.2 Roadside Assistance and Courtesy Transportation.

Starting with the owner orientation—and full tank of gas—you receive when you take possession of your Acadia, to the 24-Hour Roadside Assistance, Courtesy Transportation and Travel Benefits, you receive a portfolio of owner privileges that lasts throughout your warranty. For expert product information, Roadside Assistance or other services, call 1-800-GMC-8782.

TRAVEL BENEFITS AND ROADSIDE ASSISTANCE
Available around the clock: trip routing service, a program for reimbursement for trip interruption due to necessary warranty repairs, towing, flat tire change, jump-starts and more for 5 years or 60,000 miles (whichever comes first).

COURTESY TRANSPORTATION
Available at participating dealers: shuttle service, reimbursement of certain public transportation or fuel expenses for overnight warranty repairs and courtesy rental for overnight work repairs. See your dealer for details.

GMC OWNER CENTER
A complimentary, one-stop resource to enhance your GMC ownership experience. It’s easy to sign up.
Just go to gm.com/gmownercenter/gmc.

ONSTAR
OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar service required. OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. Visit onstar.com for coverage maps, details and system limitations. Services vary by model and conditions.

SIRIUSXM SATELLITE RADIO
SiriusXM Satellite Radio3 is standard on most Acadia models. It includes 3 trial months of service.
SiriusXM Satellite Radio makes your drive come alive with commercial-free music channels from virtually every genre, artist-specialized channels, live performances and more. Tune in to live play-by-play from the biggest sports, exclusive entertainment from top personalities, compelling talk, hilarious comedy, world-class news, local traffic and weather and family-friendly programming. Welcome to the world of satellite radio. Visit siriusxm.com for details.

GMC CERTIFIED SERVICE
To help your Acadia live up to its performance promise, GMC Certified Service—found exclusively at your GMC dealer—is there. With all the engineering excellence in Acadia, GM-trained technicians have the expertise to care for all of it.

ADDITIONAL NOTES
A NOTE ON CHILD SAFETY
Always use safety belts and the correct child restraint for your child’s age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See your vehicle Owner’s Manual and child safety seat instructions for more safety information.

TRAILERING AND OFF-ROAD INFORMATION
Please carefully review the Owner’s Manual for important safety information about trailering or off-road driving in your vehicle.

FLEET ORDERS
Some standard content may be deleted with fleet orders. See dealer for details.

ENGINES
GMC products are equipped with engines produced by GM Powertrain or other suppliers to GM worldwide. The engines in GMC products may also be used in other GM makes and models.
