INFINITE POTENTIAL

We believe every driver is empowered with untold possibilities. To excel. To go as far as their drive will take them. See this take shape with the INFINITI Q70, where gracefully refined design and craftsmanship blend with innovation to elevate your senses – and your sense of achievement. Begin by crafting your Q70 for your personal journey. Every selection is designed to move, inspire and empower the drive.

LEAD WITH AUTHORITY

With dramatic curves, the Q70 form is punctuated by a double-wave hood that rises to meet the elevated front fenders. An INFINITI signature double-arch grille sets off its expressive, powerful LED headlights, whose eye-inspired design is echoed by the taillights. The Sport Package enhances its elegant silhouette with sharper-edged front fascia and split 5-spoke 20-inch wheels.

INTENSIFY EACH MILE

Unleash a potent force no matter which engine you choose. Its eager 3.7-liter V6 engine delivers a stirring 330 hp. Opt for our most powerful production engine ever: a 5.6-liter V8 that produces a rush of 420 hp with polish and precision. Or choose the engine that redefined hybrid efficiency with thrilling intensity, matching 360 hp to a surprising 33 MPG highway.

INVITE MORE COMFORT

The Q70 interior’s sweeping lines define a space that is precisely tailored to the needs of every guest. From the width of its stance to the arc of its roof, passenger room is maximized throughout. The slope of the front seatbacks gives rear passengers more legroom. With the Essential Package*, the front seats themselves are climate-controlled, circulating cool or warm air through the perforated leather to immerse you in comfort quicker than you ever imagined.

DELIGHT IN ALL ITS DETAILS

Enter an atmosphere of quality: an exceptional space that immediately rewards your senses with craftsman-worthy materials and impressive attention to detail. Opt for the Sensory Package* to elevate further with inviting semi-aniline leather seating, distinctive White Ash silver-powdered wood trim and premium soft-touch materials throughout the cabin.

DEMAND PURE AUDIO

Indulge in rich sound with the Bose® Studio Surround® sound system* in the Sensory and Sport Packages*. It boasts 16 speakers, including 2 mounted on the shoulders of each front seat, to serenely submerge you in your music. All 16 are custom-tuned to help deliver immersive 5.1 surround sound, while Active Noise Control cancels disruptive noise with opposing sound waves.

DRIVE WITH CONFIDENCE

Amplify your ability to respond and react with the safety innovations in the ProACTIVE Package*. It includes the world’s first Predictive Forward Collision Warning* that enables your Q70 to monitor not only the vehicle directly in front of you, but the vehicle in front of that one as well, to warn you of danger — sometimes before you even see it. Backup Collision Intervention*, another world’s first technology by INFINITI, is there as well to warn you if approaching vehicles or large objects are detected behind your vehicle, and can help you avoid a collision by applying the brakes.

ADD DISTINCTION

How will your Q70 come to life? Designed for those who define their own path, it offers bold ideas for the driven. Choose an elegant interior that best reflects your personality. Command technology that anticipates, then exceeds your needs. After all, excellence never settles, and neither do you.
