WELCOME TO THE 2016 NISSAN VERSA® NOTE® DIGITAL BROCHURE

Full of images, feature stories, and all the specification and trim level information you need to help select your Versa® Note®.

Click here to sign up for news and updates on the 2016 Versa® Note®.
MAKE a break for it and go somewhere unique. Bring your friends along and all their gear – you’ve got the room. Forget the itinerary, play it by ear with directions and music you can change on-the-fly. Pit stop: Catch that show downtown. Pull in to that tight spot, cameras all around your car make parking a piece of cake.¹ ² The 2016 Nissan Versa® Note®. Enjoy SOMETHING NEW.
NISSAN FUEL EFFICIENCY

INNOVATION THAT GIVES YOU MORE CAR AND MORE SAVINGS.

40 Miles per gallon highway, so you can breeze past the pump with ease¹

4 Low rolling resistance tires that use less energy to move, so you use less fuel

0.298 Cd Drag coefficient, thanks to an exceptionally aerodynamic design²

What if you could get excellent fuel economy¹ in a roomy, comfortable car that’s lots of fun to drive? With Versa® Note®, you can. We got there by developing everything from exterior aerodynamics that whisper through the wind, to an advanced 1.6-liter 4-cylinder engine, to a virtually gearless Xtronic CVT® transmission that maximizes efficiency and performance. It’s all part of Nissan’s commitment to creating more environmentally friendly transportation for everyone.

¹2016 EPA Fuel Economy Estimate 40 highway MPG for Versa® Note® with Xtronic CVT. Actual mileage may vary with driving conditions — use for comparison only.

²0.298 Cd on S Plus, SV, and SL. 0.300 Cd on SR and 0.308 Cd on S.
Nissan Versa® Note® SL shown in Gun Metallic with accessory Rear Roof Spoiler and Chrome Door Handle Accents.

What’s style without substance? Hours of testing in the wind tunnel make Versa® Note® both eye-catching and aerodynamically efficient, helping achieve up to 40 highway MPG. A low aero-drug underbody pairs with an available active grille shutter that closes at higher speeds to help further reduce drag. Even the taillights are strategically designed, with special vents that help guide air away from the vehicle to help minimize wind turbulence. Form and function meet in sweeping character lines that make cutting through wind a breeze, with a dramatically carved profile to complete the statement. What more could you ask for?

Click the button to experience a short video on Versa® Note®’s aerodynamic design. Or go to bit.ly/versanotedesign.
Surprisingly spacious and exceptionally accommodating, the Versa® Note® interior is the best of both worlds. Smart design helps minimize structural interference with the cabin, giving everyone ample room to spread out. Enjoy seating for five and 38.3 inches of rear leg room for even your tallest friends. While up front, the bolstered driver’s seat hugs you as you carve through the turns. Available features like a leather-wrapped steering wheel, double-stitched upholstery, and silver and chrome accents add a touch of class. Top it off with available heated front seats, and every trip will be as cozy as it is cool. Just don’t be surprised when your friends ask to carpool – again.
NISSAN DIVIDE-N-HIDE® ADJUSTABLE FLOOR

INNOVATION THAT GOES WITH THE FLOW.

When living in the moment is all part of the plan, Versa® Note® has your cargo needs covered with the super-versatile available Divide-N-Hide® Adjustable Floor.¹ Vintage coffee table? Day’s haul from the farmers’ market? Get creative with multiple configurations and 18.8 cubic feet of cargo space.¹ Rear 60/40 split seats let you bring friends, and oversized items. Or fold down both sides to create a flat cargo area. And you can even fold down the front passenger seat to make room for long items. No matter what the plan is, Versa® Note® is ready when you are.

¹Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo.

Click the button to watch the Divide-N-Hide® Adjustable Floor in action. Or go to bit.ly/versanotedividenhide

Protect from prying eyes.
Lift up the adjustable floor and you’ll find a convenient hiding place that helps keep valuables out of sight.¹

Load it all in.
With the rear seats folded down, the available Divide-N-Hide® Adjustable Floor creates a flat cargo area.¹

Stow on the go.
Lower the floor to accommodate taller items at a moment’s notice—no removal required.¹
YOUR WORLD, AT YOUR FINGERTIPS.

With NissanConnectSM with Mobile Apps, your Versa® Note® becomes your smartphone’s best friend. Which means no more separation anxiety for you. Because now, your own hand-picked music, Facebook®, latest tweets, and more all come along for the ride, working seamlessly together through your smartphone and Versa® Note®’s color touch screen.¹

Your Nissan® Versa® Note® also keeps you in the loop with the available Nissan Navigation System (featuring Voice Recognition),¹ hands-free text messaging assistant,² Bluetooth® hands-free calling and streaming audio,² plus an iPod®/USB connection port.²

¹Driving is serious business. Only use features when safe to do so. App availability is dependent upon vehicle model, trim level, packaging, and/or options. See NissanUSA.com/connect for complete app availability details. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Compatible smartphone required. Cellular network and GPS signals not available in all areas and/or at all times. Technology is evolving, and changes by independent companies are not within Nissan’s control. Nissan is not responsible for associated costs that may be required for continued operation due to cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks) or other third party changes. Should a third party provider terminate/restrict service, service may be terminated without notice and with no liability to Nissan and its agents or affiliates. Subscription Agreement required and terms and conditions of Subscription Agreement apply. See NissanUSA.com/connect for details.

²Thirty-six (36) month trial period begins on your date of vehicle purchase or lease of a new Nissan; subsequently a paid subscription is required (excluding Pandora®, if Pandora app via NissanConnect is equipped on vehicle) at the then current rate to continue to receive services. Text rates and/or data usage may apply.

³Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status.

⁴Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Text rates and/or data usage may apply.

⁵Availability of specific features is dependent upon the phone’s Bluetooth® support. Please refer to your phone Owner’s Manual for details. The Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license. See NissanUSA.com/bluetooth for details.

⁶Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. NISSAN AROUND VIEW® MONITOR
IT’S GOT YOUR BACK. AND THE REST OF YOU, TOO.

Parallel parking just got easier. A rearview monitor camera is great when backing up – but when it comes to parking, it’s nice to see more than just what’s directly behind you. That’s why Versa® Note® offers an available Around View® Monitor.4 Four cameras give you a virtual composite 360° bird’s-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and curbside views, so you can get a better look.5

In Drive, the display gives you both a front and overhead view, so you know just how far to pull up – without going too far.

In Reverse, the display helps you see what’s directly behind you, while the overhead view helps with shorter objects otherwise hidden below your window.

In Drive or Reverse, you can push the camera button to switch out the overhead for a side view. A great help for seeing how close you are to the curb.

Located under your driver’s side mirror, this camera helps round out your virtual 360° bird’s-eye view, whether you’re in Drive or Reverse.6

Click the button for a short video on Versa® Note®’s Around View® Monitor. Or go to bit.ly/versanoteAVM

NISSAN SAFETY SHIELD® PHILOSOPHY

INNOVATION THAT LOOKS OUT FOR YOU.

Wouldn’t it be cool if you had the confidence you need for every part of your drive? The Nissan Safety Shield® philosophy is a comprehensive approach to safety that guides the engineering and development of every vehicle we make.

MONITOR

Smart technologies help monitor conditions. Like a rearview camera that helps you see something directly behind you, or a system that helps ensure you’re rolling on properly inflated tires.

Tire Pressure Monitoring System with Available Easy-Fill Tire Alert¹ ² Lets you know when a tire is low. And Easy-Fill Tire Alert takes the guesswork out of filling your tires, with a beep of the horn when you’ve reached the correct pressure.

Available Around View® Monitor³

Available RearView Monitor³

RESPOND

Whether you need to hit the brakes hard or maneuver around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

Vehicle Dynamic Control helps you maintain your steered path.⁴

Traction Control System helps reduce wheelspin in low-traction situations.

Anti-lock Braking System helps you maintain steering control around obstacles while braking heavily.

Electronic Brake force Distribution sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back.

Brake Assist helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation.⁵

PROTECT

When a collision is unavoidable, Nissan’s Zone Body Construction helps absorb the impact while the advanced seat belt and air bag systems help protect passengers.

Six Standard Air Bags⁶

LATCH System (Lower Anchors and Tethers for Children)

NISSAN safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: an industry first, The Snug Kids® Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at NissanUSA.com/SnugKids

¹ T PMS is not a substitute for regular tire pressure checks. ² Vehicle must be on for the Easy-Fill Tire Alert to operate. ³ Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ⁴ V DC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. ⁵ Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver’s responsibility to be in control of the vehicle at all times. ⁶ Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger’s seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents, see your Owner’s Manual for more details. Inflated air bags shown for illustration purposes only, actual coverage area may differ. Air bags deflate after deployment.
For more information and to shop online for Versa® Note® Genuine Nissan Accessories, go to bit.ly/16versanote-estore

1 Genuine Nissan Accessories are covered by Nissan’s Limited Warranty on Genuine Nissan Replacement Parts, Genuine NISMO® S-Tune Parts, and Genuine Nissan Accessories for the longer of 12 months/12,000 miles (whichever occurs first) or the remaining period under the 3-year/36,000-mile (whichever occurs first) Nissan New Vehicle Limited Warranty. ### CHOOSE YOUR TRIM LEVEL

**S**
- 1.6-liter 4-cylinder engine
- 5-speed manual transmission
- 15\"x 5.5\" steel wheels with wheel extensions

**S PLUS**
- 6040 Split fold-down rear seats
- AM/FM/CD audio system with auxiliary audio input jack
- MP3/WMA CD playback capability
- Illuminated steering wheel-mounted audio controls
- 4-wheel Anti-lock Braking System (ABS)
- Vehicle Dynamic Control (VDC) with Traction Control System (TCS)
- Nissan Advanced Air Bag System

**SV**
- NissanConnectSM with Mobile Apps
- Premium AM/FM/CD audio system with 5.0\" color display
- Rearview Monitor
- Hands-free text messaging assistant
- Streaming audio via Bluetooth wireless technology
- SiriusXM Satellite Radio
- Upgraded Fine Vision electroluminescent gauges with trip computer and outside temperature display
- Integrated Key with remote keyless entry
- Power windows and door locks
- Cruise control

**SR**
- 16\"x 6.0\" 5-split spoke aluminum-alloy wheels
- P195/55SR16 all-season low rolling resistance tires
- Sport grille and smoked headlights
- Sport front and rear fascias with side sills
- Fog lights
- Dual power outside mirrors with LED turn signal indicators

**SL**
- 15\"x 5.5\" steel wheels with wheel extensions
- AM/FM/CD audio system with auxiliary audio input jack
- Illuminated steering wheel-mounted audio controls
- 4-wheel Anti-lock Braking System (ABS)
- Vehicle Dynamic Control (VDC) with Traction Control System (TCS)
- Nissan Advanced Air Bag System
