NISSAN INTELLIGENT MOBILITY™

Nissan Intelligent Mobility guides everything we do. We’re using new technologies to transform cars from mere driving machines into assistants. Together the journey is more confident, connected, and exciting. Whether it’s cars that assist in the driving task, or highways that charge your EV as you go along, it’s all in the very near future. And it’s all already taking shape in the Nissan you drive today.

SEE MURANO® COME TO LIFE

Go to NissanUSA.com and find an interactive brochure for Murano® and every Nissan in the lineup. Available on desktop or smartphone, it’s the full product story – including demos, videos, and complete info on trimms, colors, and accessories.

A UNIQUE SOCIAL SPACE
Murano's lounge-like interior is designed to bring people together. The wider center console allows everyone to mingle without leaning or straining. And with meaningful available technology within arm's reach of any seat, Murano® makes every drive an all-inclusive trip.

SMARTPHONE CONNECTIVITY
Access the things you want to do on your phone, directly on Murano's 8.0" color display. Standard for 2018, Apple CarPlay™ and Android Auto™ work with your compatible phone to help keep you connected. Adjusting volume and toggling functions comes easy with steering wheel-mounted controls. Apple CarPlay™ brings access to apps, while Siri® recognizes voice commands, serving up personalized music selections, directions, and more. Android Auto™ provides useful information, like suggested routes, upcoming appointments, and weather forecasts. It's all displayed on-screen as user-friendly, scrollable cards to keep you in the know.

INTELLIGENT ALL-WHEEL DRIVE
Take on more. Murano’s available Intelligent All-Wheel Drive tackles a variety of terrains, while helping to keep you confident on the road. The 260-hp, 3.5-liter V6 engine provides impressive power without sacrificing efficiency.

Nissan Intelligent Mobility empowers you with tomorrow’s technology so you can take on today. You’ll make every move with greater awareness and get a little help when you need it most. All of this gives you more confidence and, ultimately, the freedom to embrace the joy of being behind the wheel – the way driving was always meant to be.
