Nissan Intelligent Mobility guides everything we do. We’re using new technologies to transform cars from mere driving machines into assistants. Together the journey is more confident, connected, and exciting. Whether it’s cars that assist in the driving task, or highways that charge your EV as you go along, it’s all in the very near future. And it’s a future already taking shape in the Nissan you drive today.

NISSAN INTELLIGENT MOBILITY™

SEE PATHFINDER® COME TO LIFE

Go to NissanUSA.com and find an interactive brochure for Pathfinder™ and every Nissan in the lineup. Available on desktop or smartphone, it’s the full product story— including demos, videos, and complete info on trims, colors, and accessories.

Or download the interactive Brochure Hub app on your tablet. Free on the App Store® and Google Play™.

NISSAN ROADSIDE ASSISTANCE

Your peace of mind is on us. For 36 months or 36,000 miles, whichever comes first, your new Nissan is covered for the following:

- Flat-tire changes
- Trip interruption benefits
- Vehicle lockouts
- Emergency fuel delivery
- Jump starts

TAKE ON ADVENTURE. Seek new destinations. Unrivaled space means everyone gets in on the action. Now take on the road, or what they call a road, with legendary capability and some of the most advanced available driver-assistance systems anywhere. TAKE ON TODAY.
HANDS-FREE ACCESS
Carrying everything at once? No problem. Just kick your foot under the rear bumper and the available Motion Activated Liftgate will open for you. And there’s no more fumbling for keys, thanks to the available Nissan Intelligent Key® with Push Button Ignition. Just step inside of Nissan Pathfinder, push a button, and away you go.1

CONVENIENCE YOU CAN COUNT ON
Never forget something in the back seat again with the innovative Rear Door Alert system. If the system detects you may have left something, it gives you a visual and audible alert to remind you to check the rear seat.6

THREE ROWS OF FLEXIBILITY
With the EZ FLEX® Seating System’s LATCH AND GLIDE® technology, the right side of the 2nd row glides and tilts forward for 3rd-row access, even with a child seat in place. 7 And with so many possible seating configurations, Pathfinder is always ready for the next adventure.

ALL-TERRAIN CAPABILITY
Pathfinder’s available Intelligent 4x4 gives you the capability you need with a choice of full-time 2WD for maximum efficiency, Auto for traction only when you need it, and 4WD lock mode for when the going really gets tough.

ADVANCED DRIVING TECHNOLOGIES
Whether you’re changing lanes on the highway, maneuvering out of a parking spot, or following stop-and-go traffic, Pathfinder’s available driver assistance features, including standard Automatic Emergency Braking, help you see more, sense more, and can even give you an assist when you need it most.2, 4, 5

Images may show additional available equipment. *Towing capacity varies by configuration. See Nissan Towing Guide and Owner’s Manual for additional information. “Driving is serious business and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags are only a supplemental restraint system, always use your seat belt even with the occupant classification system. Nissan Intelligent Key® should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving practices. Speed and other limitations apply. See Owner’s Manual for details.*
Images may show additional available equipment. 1 Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. 2 Available services/features may be shown. Compatible connected device may be required. Only use services/features and device when safe and legal to do so. Subject to GPS and wireless network availability and connection, and system/technology limitations. Text rates/data usage/subscription may apply. Some services/features provided by companies not within Nissan or its partners’ or agents’ control and may be discontinued at any time. For more information, see dealer, Owner’s Manual, or NissanUSA.com/connect/important-information.

3 Intelligent Cruise Control is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. 4 Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. Not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner’s Manual for details. 5 Rear Cross Traffic Alert is not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner’s Manual for details.

6 Towing capacity varies by configuration. See Nissan Towing Guide and Owner’s Manual for additional information. 7 Bose® is a registered trademark of The Bose Corporation. The Sirius®, XM®, and SiriusXM® names and all related marks and logos are trademarks of SiriusXM Radio Inc.
