Nissan Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into assistants. Together the journey is more confident, connected, and exciting. Whether it's cars that assist in the driving task, or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.

Your peace of mind is on us. For 36 months or 36,000 miles, whichever comes first, your new Nissan is covered for the following:

- Flat-tire changes
- Vehicle lockouts
- Trip Interruption benefits
- Emergency fuel delivery
- Jump starts

available services/features may be shown. Compatible connected device may be required. Only use services/features and device when safe and legal to do so. TAKE ON THE GOOD LIFE with a sedan that upgrades your every day. Head-turning good looks, available advanced safety features, and available turbocharged performance are just the start. The 2018 Nissan Sentra. Fill an impressive interior with friends and TAKE ON TODAY.
EFFICIENCY THAT GIVES YOU MORE OUT OF EVERY DRIVE

Sentra impresses with excellent fuel economy thanks to the 1.8-liter engine teamed with a virtually gearless CVT transmission that helps maximize efficiency and performance. And the low rolling resistance tires reduce friction to help you move, so you can enjoy up to 37 MPG highway.1

37 MPG HIGHWAY2

A BOLDER RIDE THROUGH LIFE

Nissan Intelligent Mobility connects you to your drive like never before. You’ll make every move with greater awareness and get a little help when you need it most. All of this gives you more confidence and, ultimately, the freedom to embrace the joy of being behind the wheel. This is how driving was always supposed to be.

SENTRA® SR TURBO

SR Turbo’s 1.6-L DIG® turbocharged engine gives it over 50% more horsepower than other Sentra models.3 The Turbo-exclusive CVT with Manual Shift Mode gives you options on how to put that power in your hands. Just grip the leather-wrapped steering wheel, while 17” aluminum-alloy wheels carve up the road.

SR Turbo Xtronic CVT1 with Manual Shift Mode
SR Turbo-specific Tuned Steering and Suspension
11.7” Vented Front Disc Brakes

A BOLDER RIDE THROUGH LIFE

- Rear Cross Traffic Alert6
- Intelligent Cruise Control5
- Blind Spot Warning4
- Automatic Emergency Braking3
- Intelligent Tire Pressure Monitor2

Available features include:
- Chrome exhaust finisher
- NISMO badging
- Red trim bolsters and sport seats with NISMO leather-appointed seating
- 18” NISMO aluminum-alloy wheels
- Front sport seats with red trim bolsters and NISMO badging
- Chrome exhaust finisher
- Alcantara®-appointed interior

PASSION WITHOUT A REDLINE

Since 1984, NISMO has been propelled by maverick engineering with one goal in mind: ultimate Nissan performance. Featuring a track-inspired aerodynamic exterior, NISMO-tuning, and an impressive list of styling and performance upgrades, Sentra NISMO ensures your drive will never be the same again.

106% more horsepower than CVT-equipped Sentra® which produces 124 hp.2 Based on targeted 2018 EPA fuel economy estimates. EPA data not available at time of publication. Targeted fuel economy estimate based on Nissan internal testing results, subject to EPA confirmation.

29/37 city/highway MPG for Sentra S, SV, SR, and SL with CVT. 27/33 city/highway MPG for Sentra SR Turbo. Fuel Economy based on targeted 2018 EPA fuel economy estimates. horsepwer figures are based on testing performed in accordance with SAE J1321 standards and vehicle equipped with manufacturer installed equipment using a 10% fuel cutback for the purpose of comparing 2018 models to 2013 baseline. Actual performance may vary. SR Turbo also comes with Manual Shift Mode giving you options on how to put that power in your hands. Just grip the leather-wrapped steering wheel, while 17” aluminum-alloy wheels carve up the road.

4 With Intelligent Cruise Control, your vehicle will slow down when the vehicle in front of you slows or brings to a stop. It will maintain a set speed below 62 mph when the vehicle in front of you in a stopped position brings to a stop. It may not detect all moving vehicles. Speed and other limitations apply. See Owner’s Manual for details.

5 With Blind Spot Warning, your vehicle will alert you when another vehicle enters a blind spot zone. It is not a substitute for proper backing procedures. Speed and other limitations apply. See Owner’s Manual for details.

6 With Rear Cross Traffic Alert, your vehicle will alert you when another vehicle is detected in a cross traffic zone. It is not a substitute for proper backing procedures. May not detect all moving vehicles. Speed and other limitations apply. See Owner’s Manual for details.

Actual mileage may vary with driving conditions — use for comparison only.3
Nissan has taken care to ensure that the color swatches presented here are the closest possible representations of actual vehicle colors. Swatches may vary slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Please see the actual colors at your local Nissan dealer.
