NISSAN JUKE®
Isn’t it time you were passionate about the vehicle you drive? Welcome to the 2017 JUKE.

Follow Nissan Canada on:
Facebook®, Twitter®, YouTube®, Instagram®

visit nissan.ca

Nissan Canada Inc. reserves the right to make changes at any time, without notice, in prices, colours, materials, equipment, specifications and models, and to discontinue models or equipment. For information on additional options and accessories, contact your Nissan dealership.

Always wear your seat belt, and please don’t drink and drive. Printed in October 2016. Catalogue number: 99999-JUK17EN. ©2016 Nissan Canada Inc. All rights reserved.
UNLEASH your own idea of fun. Ready to stand out? Mix it up with the colours that represent your style. Head to the city with your equally spontaneous crew. Want a change of pace? Cruise up the coast, saving gas with the push of a button. Own the day – no timeline, great tunes, and easily accessible navigation. Drive home as the sun sets, with a smile on your face. The 2017 Nissan JUKE. Revel in THRILLS.

Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status.
YOU’LL NEVER LOOK AT JUKE® THE SAME WAY AGAIN

Welcome to JUKE Colour Studio – where colour changes everything. Featuring colour-coordinated bumper accents and headlight trim rings, side mirror caps, and vibrant alloy wheel centre caps, along with eight other configurable accents, all ready for your personal touch.

COLOUR LEGEND

JUKE accent colours:
Yellow, Orange, Red, Electric Blue, Black Purple, Carbon Fibre Look, Matte Black, Piano Black, and White

To see more, go to nissan.ca/jukecolourstudio

JUKE Colour Studio

*Piano Black colour is only available for interior inserts. *Solid Black. *Black pockets.
Instead of traditional All-Wheel Drive (AWD) systems that only distribute power from front to back, the torque vectoring AWD that’s available on JUKE® adjusts power side-to-side to the rear wheels. When cornering, this means the outside rear wheel gets more power, helping you rotate into the curve and accelerate out.

NISSAN TORQUE VECTORING ALL-WHEEL DRIVE
TAKE ON S-CURVES

1.6-L Direct Injection Gasoline (DIG™) Turbo Engine
If you could design an engine to provide the ideal balance of efficiency and power, this would be it. Turbo boost gives you more than enough passing power when you need it, while the compact engine design and two-level direct injection system deliver fuel-sipping economy when you don’t.

Xtronic CVT® (Continuously Variable Transmission) with Manual Mode
Smooth as silk and fun to drive. Unlike traditional automatic transmissions, JUKE’s available Xtronic CVT transmission eliminates the need for gear-hunting and delivers a seamless wave of power. In case you miss the feeling of gears, you can engage Manual mode and bring it right back. Of course, a manual transmission is still available for the die-hard enthusiast.

POWER THE ROAD LIKE A PRO

NISSAN TORQUE VECTORING ALL-WHEEL DRIVE
TAKE ON S-CURVES

Torque Vectoring AWD
In a turn, this multi-sensor system automatically transfers rear-wheel power to the left or right, depending on which needs it more, so any change in direction can be performed smoothly and securely.
PACK IN THE UNEXPECTED

The roominess inside JUKE® is quite surprising, and much welcomed. Contributing to its space and flexibility is the under-floor storage (FWD models only), allowing for extra space that is out of sight. With the second-row seats up, there is still plenty of space in back for large luggage. Or fold the seats down, and you can create a flat cargo floor.

1,017
LITRES OF STORAGE

NISSAN I-CON SYSTEM

CHANGE YOUR MOOD ON THE FLY

JUKE’s available I-CON system lets you change up your ride with the push of a button. You can also keep stats on your performance and adjust the climate, all while you’re out and about.

Torque It, Boost It, Save It

Drive in Normal mode for the best combination of performance and efficiency. Lock in Sport mode, for a turbocharged performance. Or hit the Eco mode button and get the most out of every drop of fuel. And with a push of the Climate button, I-CON switches displays and now becomes your control centre for all things comfort.

Shown in Climate Interface

Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.
What if parallel parking was easier? JUKE® has an available Around View Monitor that gives you a virtual 360° bird’s-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and curbside views, so you can get a better look. Moving Object Detection (MOD) keeps an eye around your JUKE and can warn you about moving objects detected in your vicinity.

NISSAN AROUND VIEW® MONITOR
TAKE ON TIGHT SPACES

NISSAN CONNECT with available Navigation and Mobile Apps makes your JUKE become your smartphone’s best friend. Which means no more separation anxiety for you. Because now, your own hand-picked music, latest tweets, TripAdvisor® tips, Facebook® events, and more all come along for the ride, working seamlessly together through your smartphone and the 147 mm (5.8”) colour touch-screen. 4

Your Nissan JUKE also keeps you in the loop with available Voice Recognition, 5 hands-free text messaging,6 Bluetooth® hands-free calling and streaming audio,7 plus an iPod®/USB input.8

NISSAN AROUND VIEW® MONITOR
TAKE ON TIGHT SPACES

Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle.

Virtual composite 360° view.

MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicle speeds below 8 km/h. Always check surroundings and turn to look behind you before moving vehicle.

Driving is serious business. Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Text rates and/or data usage may apply.

Availability of specific features is dependent upon the phone’s Bluetooth® support. Please refer to your phone Owner’s Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence.

Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. iPod® is a registered trademark of Apple, Inc. Nissan Safety Shield Philosophy

**Innovation That Looks Out For You**

What if you had the confidence you need for every part of your drive? The Nissan Safety Shield philosophy is a comprehensive approach to safety that guides the development and every vehicle we make.

**Monitor**

Smart technologies are designed to help monitor conditions. Like a standard rearview camera that helps you see something directly behind you, or a system that helps ensure you're traveling on properly inflated tires.

**Tire Pressure Monitoring System**

Moving Object Detection

**Respond**

Whether you need to hit the brakes hard or manoeuvre around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

**Vehicle Dynamic Control (VDC)** helps you maintain your steered path.

**Traction Control System (TCS)** helps reduce wheelspin in low-traction situations.

**Anti-lock Braking System (ABS)** helps prevent your vehicle from skidding.

Electronic Brake Force Distribution (EBD) helps apply maximum braking force equally to each wheel.

**Brake Assist (BA)**5 helps you maintain maximum braking force even when you have to brake quickly.

**智能 technologies are designed to help monitor conditions.**

**Protec**

Six Standard Airbags® Nissan Advanced Airbag System with dual-stage supplemental front airbags with seat belt and occupant-classification sensors® help protect your front seat occupants in case of collision. Also featured, front seat-mounted side-impact supplemental airbags® and roof-mounted curtain side-impact supplemental airbags® help provide head protection for outboard occupants.

**LATCH System** (Lower Anchors and Tethers for Children)

Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissan vehicles. The result: an industry first, The Snug Kids Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at Nissan.ca/en/owners

**Choose Your Trim Level**

**SV**

- 1.6-Liter Direct Injection Gasoline (DIG) turbo 4-cylinder engine
- Turbo-reinforced All-Wheel Drive (AWD) or Front-Wheel Drive (FWD)
- 6-speed manual transmission or Xtronic CVT®
- 17” 5-split spoke aluminum-alloy wheels
- Heated front seats and steering wheel
- Nissan Intelligent Key® with Push Button ignition
- Tire Pressure Monitoring System
- NissanConnect

**SL**

**Includes SV Equipment Plus:**

- Standard Xtronic CVT® with Manual mode
- Standard torque vectoring All-Wheel Drive
- Fog lights
- Power sliding glass moonroof with one-touch open/close and power sunshade
- Heated and cooled front seats
- Heated and cooled front seat cushions with navigation and Middle Aps, including 147 mm (5.8”) colour touch-screen display, and voice recognition

**Nismo®**

**Includes SV Equipment Plus:**

- Nismo-tuned Xtronic CVT® with Manual mode featuring seven programmed gear ratios, and paddle shifters
- Nismo-tuned suspension, with increased spring and damper rates with front and rear aluminium alloy wheels
- LED Daytime Running Lights
- Nismo aerodynamic body kit, rear roof spoiler, front lip mouldings, and high-gloss 16”-pilen finish
- Nismo chrome exhaust finisher
- Heated middle and back seats, including 147 mm (5.8”) colour touch-screen display, and voice recognition

*Includes standard Forward Emergency Braking, Lane Departure Warning, and Blind Spot Warning. For an overview of NissanConnect features, see Nissan.ca/NissanConnect. Full details are available in the NissanConnect Help Guide. Please refer to your vehicle Owner’s Manual for details. NissanConnect® is available in all Nissan vehicles. See Nissan.ca/NissanConnect for details. Text rates and/or cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks). Should cellular provider terminate/restrict service, service may be terminated without notice and with no liability to Nissan and its agents or affiliates. Subscription Agreement required and terms and conditions of Subscription Agreement apply. See siriusxm.ca/terms. Fees and/or equipment replacement or upgrades, or associated costs, that may be required for continued operation due to service changes. Only use feature when safe to do so. Compatible with Apple CarPlay® and Android Auto™. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc. and any use of such marks by Nissan is under licence. Includes Siri® voice recognition and Siri® Eyes Free®. Streaming audio via Bluetooth®/ SiriusXM®/ SiriusConnect® and all standard SiriusXM®-equipped vehicles. SiriusXM™, SiriusXM with and Satellite Radio, and all related marks and logos are owned by SiriusXM Radio Inc. and its affiliated companies and are used under licence. SiriusXM not responsible for any equipment replacement or upgrades, or associated costs, that may be required for continued operation due to service changes. Apps when safe to do so. App availability is dependent upon vehicle model, trim level, packaging, and/or options. See Nissan.ca/NissanConnect for details. Text rates and/or cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks). Should cellular provider terminate/restrict service, service may be terminated without notice and with no liability to Nissan and its agents or affiliates. SiriusXM with Navigation Satellite Radio and SiriusXM Traffic is available in select North American markets. In Canada, at time of printing, incident and flow data is available for 12 metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Toronto, Montreal, Ottawa, Quebec City, Halifax, Sydney, St. John’s, Winnipeg, and Edmonton). Please refer to your vehicle Owner’s Manual for details. Your cellular provider's coverage and service area may determine whether your vehicle's mobile applications will be available. NissanConnect uses rich images and icons to illustrate road conditions. It is intended to provide supplemental information to enhance your awareness and driving capability, but may not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. iPod® is a registered trademark of Apple, Inc. All rights reserved. iPod® or other external device not included.

BUYING AND OWNIMG

Finance Options
Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program, Loyalty Program or the Nissan Advantage Program. Please visit our website nissan.ca/finance to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty
Every 2017 Nissan is covered by a 3 year/60,000 km Comprehensive New Vehicle Warranty, a 5 year/100,000 km Powertrain warranty, an 8 year/150,000 km Emission Control Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you’ll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See your warranty information booklet for complete details.

Nissan’s environmental action plan focuses on several key areas. In addition to increasing production of Zero Emission vehicles like the 100% electric LEAF®, we’re improving fuel efficiency across our lineup, and reducing the environmental impact of manufacturing through energy-efficient practices in our plants.

Security+Plus™ Prepaid Maintenance Plan
The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there’s no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

Added Security Plan (ASP)
For ultimate peace of mind, consider the Nissan Added Security Plan. It’s our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.
