2016 RAM PROMASTER CITY
THE 2016 RAM PROMASTER CITY® CARGO VAN AND PASSENGER WAGON. From the standpoint of power, capability and quality, they're Ram all the way. But these right-sized workhorses also bring welcome economies of scale and cost-effective practicality to the jobsite and the family garage. With an impressive list of best-in-class features where they count the most, the Ram ProMaster City models are keys to success just awaiting their turn to serve.

ProMaster City Cargo Van: with its best-in-class\(^1\) payload and cargo capacity, it proves itself worthy of the Ram’s Head logo. ProMaster City Passenger Wagon: designed-in versatility with enormous space to accommodate five occupants and serious luggage—just the ticket for a business shuttle or go-to choice for family transportation. Both models: huge interior (with best-in-class\(^1\) width between the wheel wells), stunning levels of comfort and technology, and a powertrain combination that includes a class-exclusive\(^1\) 9-speed automatic transmission and translates into 29 mpg hwy! Ram ProMaster City doesn’t merely stand up to any competitive wannabe out there.

Here’s what works: design and build a Ram with these credentials, and you’re ready for virtually any job application. For specs, costs, comparisons and the opportunity to build your own virtual model, click over to RAMTRUCKS.COM/PROMASTERCITY

THE 2016 RAM PROMASTER CITY® CARGO VAN AND PASSENGER WAGON.

**BEST-IN-CLASS\(^1\) PAYLOAD**: Ram ProMaster City Cargo Van—up to 1,883 lb.

**BEST-IN-CLASS\(^1\) CARGO CAPACITY**: Ram ProMaster City Cargo Van—131.7 cubic feet.

**BEST-IN-CLASS\(^1\) CARGO WIDTH BETWEEN THE WHEEL WELLS**: 48.4-inch width, allowing transport of a standard pallet.

**BEST-IN-CLASS\(^2\) HORSEPOWER AND TORQUE WITH STANDARD ENGINE CONFIGURATION**: 178 hp and 174 lb-ft of torque, achieving 0–30 mph in 3.7 seconds.

**UNSURPASSED\(^1\) TOWING**: Ram ProMaster City Cargo Van—2,000-lb max towing, when properly equipped.

**SUPERB PROTECTION AND VALUE**: a 5-Year/60,000-Mile Powertrain Limited Warranty\(^3\)

†EPA estimated 21 mpg city/29 mpg hwy. Actual results may vary.
Properly secure all cargo.
IT'S GOT THE MUSCLE TO DO BIG JOBS. AND
THE BRAINS TO DO IT RIGHT. EVERY TIME.

It carries credentials and cargo with ease. The Ram ProMaster City® 2.4-liter Tigershark® four-cylinder with MultiAir®2 technology teams up with a class-exclusive[1] 9-speed automatic for exceptional power and spirited 0–30 mph times—while still delivering stellar fuel-efficient performance. Both Cargo Van Tradesman® and Tradesman SLT trim levels offer a vast rear area with cargo floor length greater than 7 feet. Loading pallets? Huge 48-inch-wide rear door openings let you access the best-in-class[1] 48.4-inch cargo width between the wheel wells, the just right dimensions for a standard loaded pallet.

Extra-spacious room for large items—like kitchen or laundry appliances—is designed-in, with 51.8 inches from floor to interior roof. Add convenient passenger-side and rear overhead lamps in the cargo compartment and six D-type tie-down rings (integrated in the floor, with 34-psi static load capability, and up to 1,000-lb system capacity when in use). It all culminates in pure Ram leadership: best-in-class[1] cargo capacity of 131.7 cubic feet and best-in-class[1] payload up to 1,883 pounds. From deliveries to custom upfits, this Cargo Van is ready from the get-go, and ideally suited for specific tailoring, thanks to the many available Mopar® accessories.

48.4 IN

[^1]: Properly secure all cargo.
SOME GOODS ARE BEST TRANSPORTED BY RAIL. From top to bottom, Ram ProMaster City® is designed to adapt. So when your business is best supported by outside help, hit the roof. Every model in this portfolio comes ready-made for roof carrying capability, with six prepared receivers pre-drilled into the roof structure. Upfit-friendly and ready for any rack, they can accommodate Mopar® and aftermarket roof carrier solutions with the capability to carry up to 154 lb for everything from ladders to other equipment you need to make a living. By sharing the specs with the best suppliers in the business, you’ll also find a surprising range of aftermarket accessories custom-designed for Ram ProMaster City. The finishing touches are the many professional-grade Graphics Packages available to promote your business. Check out MOPAR.COM or see your Ram dealer for more information.

CUSTOMIZATION? BRING IT ON.

Properly secure all cargo.
THINKING OF AN INTERIOR UPFIT? With a cargo volume of 131.7 cubic feet, huge 60/40 split rear doors, nearly vertical side walls and seven feet of flat cargo floor, this is a design that gives you almost unlimited customization capability to more than satisfy your needs.

So take a minute to compare Ram ProMaster City® Cargo Van to, well...reality. The average total volume of a side-by-side fridge/freezer maxes out at 32 cu ft; a typical washer and dryer come in around 48 cu ft, combined. Equate those figures to this 131.7 cu ft of workable volume; your upfit could take up a small portion of the interior, leaving you ample room for supplies, equipment and even an efficient mobile workshop with generous space left over for storage of tools and materials.

The sliding drawer upfit shown below (ideal for catering as well) extends nearly three feet out, which still gives you an abundant amount of usable cargo area. Finally, while each five-gallon paint can weighs about 50 lb, these five are a mere fraction of the best-in-class payload of 1,883 lb.

THE IDEAL WORKSPACE FOR ANYTHING YOU HAVE IN MIND.
HUGE ADVANTAGES THAT TOTALLY MEASURE UP. Competitively offering 51.8 inches from floor to ceiling, Ram ProMaster City® Cargo Van also gives you best-in-class[1] cargo width between the wheel wells—and that counts big.

The photo above says it all: you can install custom shelving over the wheel wells, and still have cavernous room inside—enough for materials, equipment, or even a standard pallet.

PARTITIONS GIVE YOU CONTROL. Choose from three treatments for your Ram ProMaster City Cargo Van interior.

Standard is an open and roomy space, allowing access from the front seat area to the rear. If a closed-off rear space is preferable, choose the solid partition; should you need to monitor your cargo, opt for the partition with fixed window. Both come in available Cargo Partition Packages that include rear wall trim.

Properly secure all cargo.
LIKE ANY COMPLEX SYSTEM, THE BEAUTY IS IN THE DETAILS.

TOP-LEVEL CARGO MANAGEMENT. Receptacles are already in place for numerous aftermarket accessories—including available Roof Rails from Mopar. Molded in color with a Silver finish, they carry a 154-lb rating and will accommodate a variety of available assets, including Roof Top Carrier Baskets, Bike Carriers, Ski Carriers and a Roof Top Cargo Net. See them all at mopar.com

TWIN-TUBE MACPHERSON STRUTS are large-diameter (52 mm), easily supporting this best-in-class[1] payload and unsurpassed[1] towing* on Cargo A SOLID BACKBONE was a major mandate for this body-frame integral (unibody) Rear Back-Up Camera. It’s activated in Reverse, and many. These include dual-stage driver and front-passenger air bags, side air bag inflatable ASSIST SYSTEM [5] IN-FLOOR TIE-DOWN RINGS help secure cargo, and are standard on every Ram IN-FLOOR TIE-DOWN RINGS in the Ram portfolio, the 2.4L Tigershark takes full advantage of the MultiAir2 valvetrain SLEEK AERODYNAMIC DESIGN. Wind-tunnel tested, Ram ProMaster City® delivers a coefficient of drag (CD) of .30—on par with most and even better than many passenger cars. While this enables an impressively quiet interior, reducing wind resistance acts as a major contributor for the very satisfying fuel efficiency. 2.4L TIGERSHARK ® MULTIAIR ®2 I4. As the only gas-powered 4-cylinder engine in the Ram portfolio, the 2.4L Tigershark takes full advantage of the MultiAir2 valvetrain system developed by FIAT.® Built with a high-pressure die-cast aluminum block, the forged steel crankshaft uses powder-metal forged steel connecting rods with cast-aluminum pistons. Individual oil squirters help keep internal temperatures in the ideal range. The position of the exhaust manifold helps reduce noise into the engine compartment, and pulse-width modulation on the alternator and fuel pump also help achieve overall operating efficiency. The result? Acceleration from zero to 30 mph is a mere 3.7 seconds.

THE HEADLAMP SYSTEM is high-mounted above common crash zones to help mitigate damage (and costs) in the event of a collision. The system includes the Follow Me Home function, illuminating the front of the vehicle via the headlamps for a preset time.

RACK AND PINION STEERING WITH FRONT-WHEEL DRIVE shows its advantage in the tight turning radius, a flat-floor cargo area and the easy lift height. This hydraulic-assist system with premium steering gear is engineered and tuned to meet the rigorous demands of the commercial market; curb-to-curb turns are only 42 feet. The adjustable tilt/telescoping steering column is standard.

SEVEN STANDARD AIR BAGS[2] Few competitive vehicles in the class offer so many. These include dual-stage driver and front-passenger air bags, side air bag inflatable curtains, front seat-mounted thorax air bags, class-exclusive[3] driver’s-side knee air bag, along with dual front seat belt pretensioners and seat belt load limiters.

IN-FLOOR TIE-DOWN RINGS help secure cargo, and are standard on every Ram ProMaster City model (6 rings on Cargo Van models; 4 rings on Wagon models).

PARKVIEW® REAR BACK-UP CAMERA[3] is an available accessory that displays the rear scene in the optional 5-inch radio display screen. Engaged when in Reverse, on-screen grid lines help when backing up to docks and trailers, or into parking spaces.

THE PARKSENSE® REAR PARK ASSIST SYSTEM[3] is packaged with the ParkView Rear Back-Up Camera[3] It’s activated in Reverse, and operates below 5 mph. To alert the driver, audible warnings increase in intensity as the vehicle nears obstructions to the rear.

*When properly equipped.

YOU'RE CARRYING CARGO OR PASSENGERS, OR BOTH. IN THIS CITY. SAFETY AND SECURITY ARE PARAMOUNT. Every 2016 Ram ProMaster City model features the comprehensive and advanced version of the Electronic Stability Control (ESC)[6] System, which integrates the antilock braking system (ABS) with a variety of All-Speed Traction Control technologies that address all four corners of the vehicle in response to lateral movement and the steering input from the driver. ESC[6] assists in maintaining control under conditions such as wet or snow-covered roads, tight turns and evasive maneuvers to counter the unexpected. Calibrated to engine output, ESC[6] includes four-channel ABS, Brake/Lock Differential, a full-function All-Speed Traction Control System, Brake Assist, Engine Drag Control, Trailer Sway Control,[4] Hill Start Assist, Drift Compensation and Electronic Roll Mitigation.

THE CLASS-EXCLUSIVE[1] NINE-SPEED AUTOMATIC TRANSMISSION. Featuring Electronic Range Select (ERS), the nine-speed automatic is a major factor in achieving our unsurpassed[1] highway fuel economy. Considered to be superior in gear range, ratio spread and gear transitions to many of its six-speed counterparts, it dispenses with conventional large-diameter friction discs in favor of dog clutches. With gear disengagement and actuation similar to a manual, it uses shorter mid-range gears with near-frictionless operation. Factor in the higher 7th, 8th and 9th transitions, and you’ve got multiple reasons for the exceptional and fuel-efficient performance of Ram ProMaster City models.

THE CLASS-EXCLUSIVE[1] BI-LINK REAR SUSPENSION supplies a category-unique independent configuration specifically designed for Ram ProMaster City models. The technology delivers confidence with cargo and passengers, with notable driving comfort and enhanced stability. Here, a steel crossmember with an optimum weight/stiffness ratio helps improve reaction to lateral loads, and contributes to improved handling. These steel, cargo-rated coil springs supply high-fatigue endurance and work with tough telescopic twin-tube hydraulic shocks designed for minimal mass and maximum performance. A 16-mm solid stabilizer bar with optimized torsional stiffness also enhances durability.
THE OPEN AND UNFETTERED THINKING OF THE Ram ProMaster City® design team resulted in this versatile, vast and people-friendly interior. Ram ProMaster City Cargo Van and Passenger Wagon models deliver exceptional interior room with generous amenities.

In all ProMaster City models, the driver and front-passenger compartment utilizes durable and easy-to-clean surfaces with user-friendly layout of controls and interfaces. Seating in both models is exemplary; bucket seats with long-lasting fabrics are designed for maximum comfort and long-drive support.

Space and storage are plentiful. Count on ample room for shoulders, hips and long legs in the front seats of all models, with rear seating in Passenger Wagon offering abundant space for up to three passengers (and significant cargo space behind the rear seats), with easy entry and exit through the two oversized side sliding doors.

The quest for quiet was achieved through a full vehicle-length acoustic headliner and a plush floor carpet that stretches from cab to rear cargo area in Wagon. No matter which ProMaster City you’re driving, this interior is designed for the utmost convenience and functionality.

**GO BEYOND RADIO.** A smartphone provides dozens of functions beyond calling. We think your radio should do the same. Ram ProMaster City comes with a standard 3.0 AM/FM radio with four speakers. It features state-of-the-art convenience and offers remarkable capability. From there, the optional **Uconnect® 5.0 system** adds Bluetooth® with Voice Command™ and increases screen size to a five-inch color touchscreen unit. Available **Uconnect 5.0 with Navigation** brings to service all of the above, adding GPS Navigation and Points of Interest. From occupation to recreation, staying in touch is often imperative. Welcome to the world of Uconnect—audio and technology at their best.

**RADIO 3.0**
- AM/FM stereo
- MP3 compatibility with auxiliary input
- Media hub with USB and auxiliary inputs
- Three-inch screen
- Four-speaker sound system

**UCONNECT 5.0**
- AM/FM stereo
- MP3 compatibility with auxiliary input
- Media hub with USB and auxiliary inputs
- Bluetooth with integrated Voice Command™
- Steering wheel-mounted audio controls
- Five-inch color touchscreen
- Four-speaker sound system

**UCONNECT 5.0 WITH NAV**
- All features of the Uconnect 5.0 system
- GPS Navigation
- Points-of-Interest (POI) accessibility
- Turn-by-turn navigation

Properly secure all cargo.
Properly secure all cargo. Animals should always be safely and properly secured while vehicle is in motion.

A FAMILY OF VANS AND A GREAT VAN FOR THE FAMILY.

INVITE THE WHOLE FAMILY.
Ram ProMaster City Wagon points to a revised definition of the ideal vehicle for large families. That huge rear area behind the second-row seats gives you 74.1 cu ft of cargo capacity. Fold the second row, and you've got 101.7 cu ft—all the space you need for a day at the beach or a cross-country trip. And while Ram ProMaster City showcases impressive standard and available Safety and Security features, few things beat your best buddy looking out for you and yours.

THIS CITY EAGERLY WELCOMES ALTERNATIVE TRANSPORTATION.
Our engineers left everything to the imagination and nothing to chance—which is why we raised the roof for greater possibilities in life. Rated up to 154 lb, the lightweight aluminum Roof Rails available from Mopar® (shown above) are just the ticket for handling bikes, extra luggage, sports equipment—and much more. Life with the ProMaster City is all about practicality and capability; no surprise to find that these tough Roof Rails are designed to accommodate dozens of other Authentic Accessories by Mopar to make transport and travel much easier.
FROM CONCEPT TO CONCRETE, IT JUST FLAT-OUT WORKED.
The Ram ProMaster City® Passenger Wagon brings you smart flexibility in seating and front storage, backed with abundant and accessible rear cargo capacity. Whether your business is to shuttle clients or you’re the go-to charter for your neighborhood Little League team, this Wagon is the way to go, with top-of-the-line assets and conveniences.

The Passenger Wagon second row reflects pure practicality and standout versatility. The rear seat is engineered for occupant comfort and offers ample room for three passengers. Also key is a **fold-and-tumble design that enables nine different configurations** to accommodate virtually any foreseeable transport needs. Dual side doors slide open, while the rear doors feature a 60/40 split design with the larger door on the driver’s side—a safety feature ideal for curb-side loading.

The **maximum cargo area width (a huge 57.6 inches)** joins long-wearing and useful carpeted floors from fore to aft and a full vehicle-length acoustic headliner designed to keep things quiet. Front and rear leg room are generous. The front bucket seats feature a tubular structure with smart spring seat suspensions for easy in-and-out access; durable fabrics are made to last. Headrests are fully adjustable, seatbacks recline—and you can further opt for manual lumbar support controls for the driver’s seat and heated surfaces for both front seats.
CALL IT THE LEADER OF THE PACKED. Utilizing a 60/40 split design, the Ram ProMaster City® fold-and-tumble rear seat enables nine formations—exactly the versatility needed by shuttles, taxis, companies and families. Configure the rear seat for three, two, or a single occupant, and load it up. The possibilities are up to your imagination—so think big.

Storage space is equally impressive. A standard overhead front shelf system runs nearly the full length of the roof bow. Angled downward, it measures some five inches high and seven inches deep, accommodating everything from gloves to ice scrapers to notebooks.

The oversized glove box (176.9 cu in) accompanies a large, open 12-inch-wide by 4-inch-deep storage bin; there’s also abundant storage immediately in front of the driver, here designed as concave “trays” that are ideal for holding and stashing valuables and personal devices.

Open storage in the media center teams up with a center console with two cup holders and two 12-volt capped auxiliary power outlets. USB and auxiliary connections are forward of the shifter. Access to power is immediate; recharging capability is smart and intuitive.

Imagine a place with a place for everything. Look around. The interiors of all Ram ProMaster City models are designed to provide unexpected and useful places and spaces. Left to right: convenient overhead storage, the in-dash storage bin and oversized glove box, and in-door storage bin with angled bottle carrier.

Properly secure all cargo.
Properly secure all cargo.
THIS IS THE SOLUTION THAT WORKS.
Converting a Ram ProMaster City for wheelchair or disabled access is a designed-in advantage. Exemplifying this are two customized solutions. Left, this convenient swing-out front seat uses third-party aftermarket electrohydraulic controls; to the right is one of many examples of how the rear can be adapted. This upfit employs an aftermarket lift for wheelchairs or scooters, and the rear area is large enough to store it after use. It all comes together for all the right reasons: impressive GCWR; huge interior; generous door openings to the side and rear. Ram ProMaster City is built to meet virtually every transport need out there.

A wheelchair with occupant. With in-floor D-rings on all models (four on Wagon and six on Cargo Van), you've got plenty of anchoring options for both wheelchairs and accessories. The Passenger Wagon adds additional comfort measures—like optional power second-row windows, variable seating dynamics and the quietness of a carpeted cabin throughout.

READY, WILLING AND ABLE TO ENABLE.

RAM PROMASTER CITY: WE'RE ALL ABOUT AUTOMOBILITY.
Ram ProMaster City Cargo Van and Passenger Wagon were built with adaptability in mind. No wonder these versatile models are so ideally suited for a wide variety of mobility-minded upfits and personal customization that enable independent travel. The expansive side door openings provide huge, unimpeded access, and the 60/40 rear doors can easily accommodate
AUTHENTIC FINISHING TOUCHES.

MOPAR® HAS CUSTOMIZATION IN MIND. When you design and build a commercial vehicle anticipated to deliver the quality and capability of a Ram ProMaster City®, you devote countless hours to ensure that it will perform over the long run. It’s why our engineers worked with our colleagues at Mopar to incorporate dozens of practical ideas and designs to maximize performance, convenience and safety. Authentic Accessories from Mopar open up a world of vehicle durability and versatility. Discover how Mopar accessories and service can help you and your Ram ProMaster City achieve new levels of productivity and utility. See your Ram dealer or click over to MOPAR.COM

### Wagon

- **Interior**
  - Air conditioning
  - Power door locks
  - Front seats—cloth low-back bucket seats with manual adjust
  - Rear seat—60/40 fold-and-tumble 3-passenger bench seat
  - Power windows • 3.0 AM/FM radio with media hub including USB and auxiliary input
  - Premium cloth bucket seats with manual adjustable lumbar • 18-inch aluminum wheels (requires Lights and Wheels Group)
  - Supplemental side-curtain for 1st row • 6 speakers on Wagon models (requires side sliding door with glass on Cargo Van models)
  - Driver inflatable knee bolster • 5-person seating

- **Mechanical**
  - 2.4L MultiAir® I4 engine • Nine-speed automatic transmission • 16-gallon fuel tank • FWD • Independent MacPherson strut front suspension • Independent bi-link rear suspension with coil springs, telescopic shock absorbers and stabilizer bar • Electronic Stability Control (ESC)
  - Brake/Lock Differential, Electronic Roll Mitigation, Hill Start Assist, Trailer Sway Control, Brake Assist and All-Speed Traction Control • Front and rear drum brakes

- **Exterior**
  - Body-color front and rear bumpers • Side and rear doors with tinted windows • Halogen headlamps • Black mirrors with manual adjust • 16-inch steel wheels painted Silver with center cap

- **Technology**
  - Electronic Vehicle Tracking System (EVTS)
  - Bluetooth® Wireless (requires Uconnect 5.0 system)
  - Uconnect® 5.0 AM/FM with 5-inch touchscreen display, media hub including USB and auxiliary input
  - Uconnect with Bluetooth®, Speed control • Leather-wrapped steering wheel with audio controls • 2nd-row vented windows

### Wagon SLT

- **Interior**
  - Air conditioning
  - Power door locks
  - Front seats—premium cloth bucket seats with manual adjustable lumbar • Rear seat—60/40 fold-and-tumble 3-passenger bench seat
  - Power windows • Uconnect 5.0 AM/FM system with 5-inch touchscreen display, media hub including USB and auxiliary input
  - Uconnect with Bluetooth®, Speed control • Leather-wrapped steering wheel with audio controls • 2nd-row vented windows

- **Mechanical**
  - 2.4L MultiAir® I4 engine • Nine-speed automatic transmission • 16-gallon fuel tank • FWD • Independent MacPherson strut front suspension • Independent bi-link rear suspension with coil springs, telescopic shock absorbers and stabilizer bar • Electronic Stability Control (ESC)
  - Brake/Lock Differential, Electronic Roll Mitigation, Hill Start Assist, Trailer Sway Control, Brake Assist and All-Speed Traction Control • Brake—front vented disc, rear drum

- **Exterior**
  - Body-color front and rear bumpers • Side and rear doors with tinted windows • Halogen headlamps • Mirrors with body-color caps; power adjustable, folding and heated • 16-inch steel wheels with full Silver wheel cover

### Buyer's Guide

#### Packages/Equipment Groups

- **Cargo Partition Package**
  - Includes cargo partition with no window and rear wall trim

- **Lights and Wheels Group**
  - Includes front fog lamps and 16-inch aluminum wheels

- **Power Window Package**
  - Includes rear side sliding door with glass on Cargo Van models

- **Remote Start Package**
  - Includes Class III hitch receiver and 7-14-pin wiring harness
Mated to the class-exclusive\(^{(1)}\) nine-speed automatic transmission, this in-line four-cylinder powerhouse delivers absolutely top-tier performance. Accompanying the best-in-class\(^{(2)}\) horsepower and torque with standard engine configuration is unsurpassed\(^{(3)}\) towing—up to 2,000 lb (Cargo Van models). You’ve also got a best-in-class\(^{(1)}\) driving range with standard motor: up to 464 miles\(^{(4)}\) per tank, using wallet-friendly 87-octane regular.

*EPA estimated 21 mpg city / 29 mpg hwy. Actual results may vary. When properly equipped. **EPA estimated 29 mpg city / 29 mpg hwy and 11-gallon fuel tank. Actual results may vary. **Maximal payload based on body model, GVWR class. Specifications subject to change. See dealer for most up-to-date information.
THE DEALER NETWORK FOR YOUR BUSINESS.

Your BusinessLink dealer is committed to providing you, the small business owner, with the vehicle support you need for your business—from servicing your existing vehicle(s), all makes and models, to selling you that right vehicle needed to perform the work that you do. Your BusinessLink dealer provides next-day available service because we know downtime is costing you money. Your BusinessLink dealer has sales professionals trained to properly “job-rate” the right vehicle for your work application along with providing comprehensive finance options. New vehicle sales to qualified small business owners also receive a free alternate transportation contract, in the event your vehicle is in for service.

Membership in the BusinessLink program is complimentary. Membership helps us to identify you as a small business owner so we can provide you with both the service you deserve and update you with offers that can help reduce the cost of doing business. Ask your BusinessLink dealer to register today.

ON THE JOB INCENTIVES FOR SMALL BUSINESSES.

Running a business presents plenty of challenges. Like cutting costs, not corners. Like saving time and money and eliminating hassles. The ON THE JOB commercial incentive program provides assistance in customizing and servicing your business vehicles.

A commercial line of credit from Chrysler Capital is ideal for qualified business customers looking for a flexible, easy way to manage growing vehicle needs. Chrysler Capital streamlines the process—and with prequalification, you’re ready to buy a vehicle when you need it. Ask your BusinessLink dealer for details.

THE RAM OUTFITTER

Treat yourself. Find the perfect gifts for the Ram enthusiast in your life. The Ram’s Head identity leaves no doubt about the commercial brand that rules.

RAMTRUCKS.COM/OUTFITTER

[1] Based on latest available competitive information. Class is Small Commercial Van segment. [2] Based on latest available competitive information and compared to standard engine configurations. Class is Small Commercial Van segment. [3] Transferable. See your dealer for complete details and a copy of the 5-Year/100,000-Mile Powertrain Limited Warranty. [4] The Advanced Front Air Bags in this vehicle are certified to the new U.S. Federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. [5] Always look before proceeding, electronic drive aid is not a substitute for conscientious driving; always be aware of your surroundings. [6] No system, no matter how sophisticated, can repeat the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. [7] Requires a mobile phone equipped with the Bluetooth Hands-Free Profile. Visit UconnectPhone.com for system and device compatibility. [8] SiriusXM subscriptions for audio and data services are sold by SiriusXM to follow your trial subscription. If you decide to continue listening after your trial, the subscription plan you choose will be automatically renewed thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See the SiriusXM Customer Agreement for complete terms and more information at siriusxm.com. All fees and programming subject to change. Your equipment and features for SiriusXM services will vary depending upon the vehicle you select and may be limited in select markets. [9] WiFi subscription required. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. [10] ON THE JOB is a retail incentive program; see your dealer for official rules. Inquire about eligibility by calling 877-ONTHEJOB or by logging on to fcaworkvehiclesus.com. The purchaser or lessee must be a qualified commercial customer for more than 30 days prior to the date of the vehicle purchase. An official ON THE JOB Customer Acknowledgment Form must be signed by the customer (provided by the dealer).
