At Subaru, we’re committed to building a lasting, rewarding relationship with you and the world we share. We start by building our vehicles to last—it’s why 84% of all the vehicles sold in the last 13 years are still on the road today. We also share your desire for a cleaner, greener world. Every 2015 non-turbo Forester achieves Partial Zero Emission Vehicle—PZEV—status, because of its exceptionally low emissions. What’s more, in 2004 Subaru of Indiana Automotive, Inc. (SIA) became the first manufacturing facility in the U.S. to reach zero-landfill status—nothing from its manufacturing efforts ever goes into a landfill. Subaru is headquartered in a zero-landfill office in Cherry Hill, NJ.

Love. It’s what makes a Subaru, a Subaru.
There’s a lot you can do, when there’s nothing saying you can’t.

Introducing the 2015 Subaru Forester

The Forester is all about potential. To do what you enjoy with those closest to you and to be there for those that need you. It’s efficient, achieving 32 highway MPG, versatile with Subaru Symmetrical All-Wheel Drive with available X-MODE® featuring Hill Descent Control, and roomy with a large cabin and ample cargo room. It’s safe too, having been named an IIHS Top Safety Pick for eight years running (2007–2014) and a 2014 Top Safety Pick Plus when equipped with optional EyeSight®.

Efficient
Thanks to its Lineartronic™ CVT, you’ll get optimal MPG at every speed from its efficient SUBARU BOXER® engine, up to 32 highway MPG.

Versatile
Subaru Symmetrical AWD helps you drive with control and confidence, while the available X-MODE® featuring Hill Descent Control helps you more easily navigate the steep and the slippery.

Safe
In addition to seven standard airbags, Forester features the available EyeSight® Driver-Assist System, offering added peace of mind and convenience for your daily drive.

Roomy
There’s plenty of room to spare throughout with rich materials, top tech and available reclining rear seats for extra comfort. Plus, there’s an available power rear gate to give you hands-free access to it all.

1 EPA estimated fuel economy for 2015 Forester 2.5i CVT at 32 highway MPG. Actual mileage may vary. 2 Ratings based on Insurance Institute for Highway Safety’s (IIHS’s) moderate overlap frontal crash test, small overlap frontal crash test, 31-mile-per-hour side-impact test, 20-mile-per-hour rear-impact test, and roof-strength test. Top Safety Pick Plus rating requires optional EyeSight Driver-Assist System. For more information, contact IIHS or visit their website at www.iihs.org. 3 EyeSight is a driver-assist system which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner’s Manual for complete details on system operations and limitations. Please remember to turn off EyeSight when going through a carwash.
Forester 2.5i Limited in Quartz Blue Pearl with accessory equipment.

A whole lot to love and much to explore.
Well planned. Well connected.

Auto-dimming Mirrors with Approach Light

Make it easier—and safer—to come and go with the accessory Exterior Auto-dimming Mirrors with Approach Light!

When the doors are opened or unlocked with the key fob, LED lights on the side-view mirrors will help light the way, casting light on all four doors and the ground near the vehicle.

They can also help reduce headlight glare in traffic. When the Interior Auto-dimming Rearview Mirror detects excessive light from the rear of the vehicle, the side-view mirrors automatically dim, helping to keep the light out of your eyes. The brighter the light, the dimmer the mirrors and the better you’ll be able to see.

1 Exterior Auto-dimming Mirrors with Approach Light are accessory equipment. Requires Interior Auto-dimming Rearview Mirror accessory.
Refined Interior

There’s a lot to enjoy in the new Forester like plush materials, convenient technology and an available large panoramic moonroof to give everyone a wide-open feeling. There’s also a standard 4.3-inch, full-color multifunction display to supply info such as vehicle settings, the Rear-Vision Camera and the available EyeSight® Driver-Assist System1.

Plus the available touchscreen navigation system helps you find your way, while the Aha™ connected service2 via the SUBARU STARLINK™ infotainment system offers safe access to podcasts, internet radio, apps and more.

1 EyeSight is a driver-assist system which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner’s Manual for complete details on system operations and limitations. Please remember to turn off EyeSight when going through a carwash.

2 Compatible smartphone and application required. For applications to operate, latest version of each application and optional integrated audio and navigation system will required. Data provided by smartphone is displayed on navigation screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier’s rates may apply.

Lots of room for lots of possibilities.
A vigilant safety feature that gives peace of mind to every drive.

Pre-Collision Braking

A driver ahead unexpectedly hits the brakes or cuts you off. EyeSight® warns you, applies brakes to help avoid it, and at lower speeds can even help you stop your Subaru.

Adaptive Cruise Control

Traffic doesn’t always flow, so EyeSight® doesn’t only keep a set speed. The system looks ahead and helps the Subaru automatically adjust to keep your distance, even in stop-and-go highway traffic.

Pre-Collision Throttle Management

If you put the car in Drive instead of Reverse and EyeSight® sees an object in your path, it cuts power to help you avoid accelerating into it.

Lane Departure and Sway Warning

You accidentally drift to the edge of your lane and begin to cross into another. EyeSight® watches for lane markers and chimes to warn you before you leave yours.
A turbocharged taskmaster.

Forester 2.0XT

Utility with just the right amount of sport, the Forester 2.0XT features a turbocharged, direct-injected SUBARU BOXER® engine with 250 hp, achieving 28 highway MPG¹. This advanced engine is mated to a high-torque Lineartronic CVT with paddle shifters and 6- and 8-speed² manual modes, to help ensure peak MPG, while keeping things fun behind the wheel.

Pumping out that extra rush the way you want it, standard Subaru Intelligent Drive (SI-DRIVE) includes three distinctive performance modes that customize engine response at the push of a button. On the outside, its aggressive looks and large 18-inch wheels reveal the fiercer side of the Forester 2.0XT.

¹ EPA estimated fuel economy for 2015 Forester 2.0XT at 28 highway MPG. Actual mileage may vary.
² 8-speed manual mode with SI-DRIVE Sport Sharp (S#) setting.
"Much of the Forester’s enduring appeal lies in the fact that it offers most of the SUV attributes people really want and use – full-time all-wheel drive, a little bit of extra ground clearance, and hatchback utility – without the bulk of a full-blown SUV."

The 2014 Subaru Forester.®
Motor Trend’s 2014 Sport/Utility of the Year.®

2015 Forester | Equipment

2.5i
• 170-hp 2.5-liter 4-cylinder SUBARU BOXER® engine
• Subaru Symmetrical All-Wheel Drive
• 6-speed manual transmission or optional Lineartronic® CVT (Continuously Variable Transmission)
• 17-inch styled alloy wheels
• Cloth upholstery
• 6-way manually adjustable driver’s seat, 4-way manually adjustable front-passenger’s seat
• 6-speaker single-CD audio system with Bluetooth® connectivity and USB port/Port Control
• Driver’s auto-up/adjustable power window
• Privacy glass

2.5i Limited
Includes 2.5i key features and adds:
• Subaru Symmetrical All-Wheel Drive A-MODE™ with Hill Descent Control (HDC)
• Linearmotion® CVT (Continuously Variable Transmission) with manual-mode paddle shifters
• Sport-tuned suspension
• SI-DRIVE (SI-Drive with paddle shifters)
• Front/rear parking sensors
• 18-inch aluminum-alloy wheels
• Leather-trimmed upholstery
• Keyless Access & Start
• 4-way power-adjustable front-passenger’s seat

2.5i Premium
Includes 2.5i key features and adds:
• 17-inch aluminum-alloy wheels
• Panoramic moonroof
• Raised roof rails: black finish
• Cloth upholstery
• 10-way power adjustable driver’s seat, 4-way manually adjustable front-passenger’s seat
• Rear safety echoes
• 6-speaker single-CD audio system featuring HD Radio® with (Tuneln®) navigation capability, Bluetooth® connectivity and USB port/Port Control
• Driver’s auto-up/adjustable power window
• All-Weather Package

2.0XT Touring
Includes 2.0XT Premium key features and adds:
• 250-hp turbocharged 2.0-liter 4-cylinder SUBARU BOXER® engine with HP Deaect Control (HDC)
• Linearmotion® CVT (Continuously Variable Transmission) with manual-mode paddle shifters
• Sport-tuned suspension
• SI-DRIVE (SI-Drive with paddle shifters)
• Front/rear parking sensors
• 18-inch aluminum-alloy wheels
• Leather-trimmed upholstery
• Keyless Access & Start
• 4-way power-adjustable front-passenger’s seat
• Rear safety echoes
• 6-speaker single-CD audio system featuring HD Radio® with (Tuneln®) navigation capability, Bluetooth® connectivity and USB port/Port Control
• manually adjustable CFC-free air conditioning system with air filtration
• Analog gauges with LCD display
• Enhanced oter multifunction display
• Rear-Vision Camera
• One-touch folding rear seatbacks
• Power ree gate with automatic close and height memory

2.0XT Premium
Includes 2.0XT Premium key features and adds:
• HID headlights
• Fog lights
• Chrome accents on lower door cladding
• 4-way power-adjustable driver’s seat, 4-way manually adjustable front-passenger’s seat
• Rear safety echoes
• 6-speaker single-CD audio system featuring HD Radio® with (Tuneln®) navigation capability, Bluetooth® connectivity and USB port/Port Control
• Driver’s auto-up/adjustable power window
• All-Weather Package

94% of Subaru vehicles sold in the last 12 years are still on the road today.®

### SI-DRIVE performance management system

Subaru Intelligent Drive (SI-DRIVE) enables three distinctively different modes of vehicle performance characteristics by regulating the engine control unit (ECU), the transmission control unit (TCU) and by fine-tuning the electronically controlled throttles.

### Manual Transmission

Fully synchronized 6-speed manual with Incline Start Assist.

### Automatic Transmission

Lineartronic® CVT (Continuously Variable Transmission) with Incline Start Assist and manual mode for 2.0XT models.

### CA Emissions

PZEV² LEV2

### Maximum towing capacity

1,500 lbs

### Traction and Stability

Subaru Symmetrical All-Wheel Drive

### X-MODE®

X-MODE® optimizes engine output and transmission ratio, increases all-wheel drive system engagement and uses enhanced control of the VDC system to reduce individual wheelspin, providing optimal traction on low friction surfaces.

### Hill Descent Control (HDC)

X-MODE® also incorporates Hill Descent Control that helps to maintain a constant vehicle speed when traveling downhill, enhancing vehicle control.

### Vehicle Dynamics Control (VDC)

Standard VDC electronic stability control utilizes sensors which constantly monitor wheel speeds, steering angle, brake pressure, vehicle yaw rate and lateral g-forces. If VDC detects a difference between the driver’s intended path and the one the vehicle is actually taking, VDC applies braking power and/or reduces engine torque to help correct vehicle path.

### Traction Control System (TCS)

VDC also incorporates an all-wheel, all-speed traction control system which senses a loss of traction and applies braking force to the slipping wheel or wheels as necessary to maintain vehicle motion.

**2015 Forester | Accessories**

- **Heavy-duty Roof Cargo Basket.** Mounts to vehicles with standard roof rails and is compatible with most genuine Subaru roof carriers for bikes, kayaks, skiis and cargo carriers. Not applicable to vehicles with Fixed Cross Bar Set. Airs inside traps snow with heavy-duty roof cargo basket.

- **Rear Seatback Protector.** Provides additional protection to the rear seatbacks when lowering the seats to transport larger cargo. Use in conjunction with a Rear Cargo Tray.

- **Body Side Moldings.** Color-matched moldings help protect vehicle doors from parking lot dings, while attractively blending with the lines of the car.

- **Splash Guards.** Help protect the vehicle's paint finish from stones and road grime.

- **Trailer Hitch.** Rated at 7,700 lbs tongue weight with 1,500 lbs of towing capacity. Engineered to vehicles with standard roof rails and is compatible with most genuine Subaru roof carriers for bikes, kayaks, skiis and cargo carriers. Not applicable to vehicles with Fixed Cross Bar Set. Airs inside traps snow with heavy-duty roof cargo basket.

- **Fog Light Kit.** Casts a low and wide beam of light to enhance vision in inclement weather.

- **Cargo Tray.** Tough, durable tray helps protect cargo area. Can be easily removed and rinsed clean.

- **Service Kit.** Helps maintain your vehicle at its peak performance.

- **Side Window Deflectors.** Let the fresh air in while helping to keep the weather out.

- **Moonroof Air Deflector.** Helps reduce wind noise and sun glare when moonroof is open. Can be used in conjunction with the Extended Roof Cargo Carrier.

- **Rear Bumper Cover.** Helps protect the upper surface of painted rear bumper from scratches and dings.

- **Rear Seatback Protector.** Helps protect vehicle interior from dings, while attractively blending with the lines of the car.

- **Rear View Mirror.** Large enough to see behind the vehicle.

- **Rearview Camera System.** Helps monitor the vehicle’s rearward visibility.

- **Rear Wiper Blade.** Helps keep the rear window clean.

- **Rear Wiper Blade Cover.** Helps protect the rear windshield wiper blades from damage.

- **Dome Light.** Helps enhance the interior lighting of the vehicle.

- **Rear Wiper Blade.** Helps keep the rear windshield clean.

- **Rear Window Deflector.** Helps reduce wind noise and sun glare when moonroof is open.

- **Moonroof Air Deflector.** Helps reduce wind noise and sun glare when moonroof is open. Can be used in conjunction with the Extended Roof Cargo Carrier.

**2015 Forester | Owner Benefits**

**Warranties**

- **New Car Limited Warranty.** 3 years or 36,000 miles, whichever comes first.

- **Powertrain Limited Warranty.** 5 years or 60,000 miles, whichever comes first.

- **Wear Item Limited Warranty.** Repairs to the following items will also be covered under Wear Item Limited Warranty:

- Brake Pads
- Wiper Blades
- Clutch Linings
- Transmitter Batteries

- **Rust Perforation Limited Warranty.** 3 years or 36,000 miles, whichever comes first.

**Additional Benefits**

- **24-hour Roadside Assistance.** Once you’re part of our family, we’ll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru retailer and other services are just a phone call away. And to protect you over the long haul, see-offer Added Security—extended service agreements and maintenance plans that will help protect your car for up to 5 years or 100,000 miles. They’re the only mechanical and maintenance plans backed by Subaru, and because we’ve been building them for more than 30 years, they’re agreements you can trust. Your retailer has full coverage details.

**Subaru Badge of Ownership**

True commitment shows through. For Subaru owners, it shows in kayaks scuffs and snowboard scratches. It can take the form of dog hair that just won’t come out, fresh coats of dust, or extra coats of wax. For many, the Subaru Badge of Ownership lets them share their commitment to the life they live and the confidence that has inspired them to fully embrace it. Owners can order badges online for free, stick them on, and let everyone know how they experience the world. Which one will you get?
